

# NETWORK EXTENSION PARTNERSHIP (NEP) FREQUENTLY ASKED QUESTIONS (FAQS)

---

PAPUA NEW GUINEA  
11.2021

## BACKGROUND

On 25 June 2018, Australia and New Zealand Banking Group (PNG) Ltd (“ANZ”) announced an agreement to sell its Retail, Commercial and Small-Medium Sized Enterprise (SME) banking businesses in Papua New Guinea to Kina Bank Limited (“Kina Bank”), to allow it to focus solely on Institutional and Large Corporate banking in the PNG market.

Kina Bank is a wholly-owned subsidiary of Kina Securities Limited, a PNG company listed on the Australian and Port Moresby stock exchanges.

The transaction received regulatory approvals from the Bank of Papua New Guinea on 26 February 2019 and the PNG Independent Consumer and Competition Commission on 27 March 2019.

The sale included all 15 ANZ branches, the entire ATM network and ongoing roles for those who currently support the Retail, Commercial and SME banking businesses.

On Monday 23 September 2019, the sale was completed, and Kina Bank has taken over the Retail, Commercial and SME businesses.

ANZ remains committed to running a world-class Institutional and Large Corporate banking business in PNG, where we see great opportunities for growth. ANZ has been in PNG for more than a century and we continue to have a positive outlook for the local economy.

After the transfer of the Retail business, Corporate customers based outside of Lae, Port Moresby and Goroka can access corporate banking services at Kina Bank branches thanks to a ‘Network Extension Partnership’ agreement between ANZ and Kina.

The locations of these branches include Kimbe, Kokopo, Madang, Mt Hagen, Wewak. Please refer to Appendix A on Kina Bank branch locations and opening hours.
