Use of Information

8. The ANZ Credit Cards Conditions of Use and ANZ's Privacy Policy contain information about the information that ANZ collects about You (personal information) during the course of Your relationship with ANZ. Qantas and ANZ may also collect information about:

 - (c) to plan, research and for the promotion and marketing (whether targeted, direct or indirect) of goods, services and products of Qantas and ANZ and any other Bonus Partner.
9. By using the Card, each Cardholder specifically authorises Qantas, ANZ and any Bonus Partner, and any of their respective agents and contractors to seek access to, collect and use that information and disclose that information between themselves for the above purposes, provided that no Bonus Partner (except Qantas and ANZ) will have access to the Cardholder's name and address.
10. Each Cardholder may obtain access to stored information relating to that Cardholder and may obtain access to and correct that information by calling ANZ on 13 22 73. A fee may apply for this service.

12. Points in a Points Record at the time of death of the Account Holder will be cancelled and may not be claimed by any other person.
13. Neither Qantas nor ANZ will be responsible for correspondence lost or delayed in the mail. Any Points Summary or notice will be deemed to have been given to the Account Holder if posted to the Account Holder's mailing address.
14. Neither Cards nor Points may be sold or transferred in any way.
15. If ANZ closes Your Card account, ANZ will notify the Account Holder of such closure.
16. Subject to clause 24, if ANZ or the Account Holder closes the Card account, Points will continue to be awarded under these terms and conditions in relation to transactions occurring prior to the date of closure, provided that ANZ receives notice of the transaction and the Account Holder's Qantas Frequent Flyer membership number within 60 days after the date of closure. No Points will be awarded in relation to transactions notified to ANZ after that date. If ANZ does not receive the Account Holder's Qantas Frequent Flyer membership number within 60 days after the date of closure, the Points in the Points Record in respect of the Card as at that date will be cancelled and may not be credited to a Qantas Frequent Flyer account.
17. If these terms and conditions are terminated, Points will continue to be awarded in accordance with these terms and conditions in relation to transactions occurring prior to the date of termination, provided that ANZ receives notice of the transaction and the Account Holder's Qantas Frequent Flyer membership number within 90 days after the date of closure. No Points will be awarded in relation to transactions notified to ANZ after that date.

Earning Points

18. (a) You must be a member of the Qantas Frequent Flyer program to earn and redeem Points. A joining fee may apply. Membership of the Qantas Frequent Flyer program is subject to the terms and conditions of the Qantas Frequent Flyer program. Please refer to qantas.com/terms or call the Qantas Frequent Flyer Service Centre on 13 11 31 for a copy.

- (b) Points earned by using Your Card or Card account are credited to Your Qantas Frequent Flyer account after each statement period. Only whole Points are credited. Portions of Points are carried over until they can be credited as whole Points.
 - (c) The number of Points earned in a given period appears on an Account Holder's Points Summary for that period, and may include Points that have not been credited to a Qantas Frequent Flyer account.
 - (d) Qantas Points that are available to be redeemed appear in an Account Holder's Qantas Frequent Flyer account and can be obtained by referring to qantas.com/frequentflyer or by calling the Qantas Frequent Flyer Service Centre on 13 11 31.
19. ANZ will advise you in writing of the number of Points you could earn per dollar spent and any earn rate bands or Caps applicable to your Card(s) at the time of opening your Card account. At any other time, ANZ will advise you if the number of Points you could earn per dollar spent decreases or the earn rate bands or Caps change in a way which reduces your ability to earn Points. ANZ is not required to advise you in writing at any time if the number of Points you could earn per dollar spent increases or the earn rate bands or Caps change in a way which increases your ability to earn Points.
20. Some Card accounts may have:
- (a) banded Point earn rates, as advised by ANZ from time to time. This means that different earn rates may apply depending on the cumulative dollar value of eligible purchases made during the current statement period. For example, the earn rate available on eligible purchases made once your total eligible purchases during a statement period exceed \$1,000 may be different from the earn rate available on the first \$999 of eligible purchases made during a statement period. The cumulative dollar value of eligible purchases made will reset at the start of each statement period. ANZ will advise you in writing of any banded earn rates applicable to the account at the time of opening your Card account; or
 - (b) a Cap, as advised by ANZ from time to time. If a Cap applies to your account, you will only earn Points in a Card account statement period for every dollar Cardholders spend up to the Cap. Caps will reset at

the start of each statement period. Dollars spent by all Cardholders on their cards are collectively applied against the Cap. ANZ will advise you in writing of any Cap applicable to your Card account at the time of opening Your Card account and at any time where the Cap decreases.

21. There is no limit on the number of Bonus Points You may earn in any statement period.

When you won't earn points

22. You will not earn Points on:
- (a) Interest charges or bank fees;
 - (b) premiums paid for ANZ Credit Card Insurance (ANZ Credit Card Insurance not available for new customers from March 17th, 2018);
 - (c) Government Charges or payments made to the Australian Taxation Office;
 - (d) card account adjustments resulting from disputed transactions or otherwise;
 - (e) balance transfers, cash advances (as defined in the ANZ Credit Cards Conditions of Use) or AFTs; or
 - (f) transactions which are identified to ANZ by the relevant merchant or any intermediary financial institution as falling into one of these categories. ANZ is only able to determine whether a transaction is eligible to earn Points by using information provided by the merchant (including the type of business conducted by the merchant) and the relevant intermediary financial institution (i.e. the financial institution with which the merchant has entered into an agreement, enabling the merchant to accept payment for goods and services by credit card). Accordingly, certain transactions made with certain merchants may be treated as ineligible to earn Points even if such transactions do not fall within the categories as set out this clause.
23. Please ensure, by calling 13 22 73, ANZ has your Qantas Frequent Flyer membership number so that Points can be credited to Your Qantas Frequent Flyer account. If ANZ has not been notified of Your Qantas Frequent Flyer membership number within 12 months after the date of opening Your Card account, You will be entitled to claim Points only in relation to transactions made during the 12 months immediately preceding the date You notify ANZ of

Your Qantas Frequent Flyer membership number. Points will not accrue in relation to any earlier transactions. If ANZ or the Account Holder closes the Card account and ANZ does not receive the Account Holder's Qantas Frequent Flyer membership number within 60 days after the date of closure, the Points in the Points Record in respect of the Card as at that date will be cancelled and may not be credited to a Qantas Frequent Flyer program account.

24. Pursuant to the ANZ Credit Cards Conditions of Use, ANZ can suspend or cancel any Credit Card on your Credit Card Account in certain circumstances, including if an Event of Default occurs or if we suspect, on reasonable grounds, that you have been operating your Credit Card Account fraudulently. If we cancel or suspend your Credit Card or block your Credit Card Account you will not be able to accrue Points.
25. You will earn Bonus Points as a result of You or Your Additional Cardholder using a Card or Your Card account to purchase qualifying goods or services from a Bonus Partner in Australia or in any other locations where specified on anz.com. ANZ will, by agreement with Bonus Partners, determine which goods or services are qualifying goods or services. These will be specified on anz.com or other communication from ANZ.
26. Bonus Partners are not responsible for the management, operation or administration of the ANZ Frequent Flyer reward program.
27. Points are awarded to Account Holders and not to Additional Cardholders.
28. Points may also be earned in relation to promotions and incentives offered by Qantas, ANZ or any other Bonus Partners from time to time.
29. ANZ and Qantas may establish additional means of earning and accruing Points. This may include changes to the amount of Points earned per dollar spent for selected Account Holders from time to time.
30. When a Cardholder obtains a Refund, an adjustment may be made to the Points Record and/or the Current Spend for that Card account, in accordance with this clause:
 - (a) where no Cap applies to your Card account, your Points Record will be reduced in proportion to the Refund.

- (b) where a Cap applies and it has not been reached at the time of the Refund, your Points Record and Current Spend will be reduced in proportion to the Refund.
 - (c) where a Cap applies to your Card account and it has been reached at the time of the refund, you may have Points deducted for the Refund. The amount of Points deducted for the Refund is based on the proportion of the Refund taking you below the Cap.
 - (d) in all cases, the number of Points deducted from your Points Record will be calculated by reference to the rate at which you were earning Points at the time the Refund was granted.
 - (e) for all Card accounts, any Bonus Points earned on a purchase of qualifying goods or services will be reversed if a Refund is obtained for that purchase.
31. You will have no recourse against any Bonus Partner in respect of Points recorded in Your Points Record. There will be no compensation for Points which are cancelled or deemed by ANZ to have expired.
32. Points will accrue approximately monthly based on the Card statement period.
33. Requests for missing Points must be notified to ANZ within six months after the relevant transaction has appeared on the Account Holder's credit card statement of account. Your request will be investigated by ANZ. ANZ will notify you of the outcome of its investigation and may update your Points Record accordingly. Any adjustment made by ANZ may affect Points that already appear in your Points Notice.

Qantas Bonus Points

34. You will earn the number of Bonus Points per dollar spent as published on anz.com for every dollar charged to the Card when you use your Card to purchase the following selected Qantas products and services directly from Qantas: Qantas Passenger flights (with a QF flight number), Qantas Frequent Flyer and Qantas Club membership joining and annual fees. Bonus Points are not earned on expenditure relating to Qantas Freight, Qantas Holidays Limited, Qantas Business Travel PTY Limited, Qantas Staff Travel, Jetset Travelworld, the Jetstar Group of Companies or goods and services supplied by Qantas Frequent Flyer program partners unless otherwise notified.
