Additional capital overlay

The sub-section entitled "Recent Developments " in the section entitled "Description of Australia and New Zealand Banking Group Limited and its Subsidiaries" on page 158 of the Base Prospectus shall be supplemented by inserting the below at the end of the abovementioned section:

“APRA to apply additional capital overlay

On 23 August 2024, ANZBGL announced that the Australian Prudential Regulation Authority (“**APRA**”) has advised it will require ANZBGL to hold an additional operational risk capital overlay of A\$250 million. APRA outlined its reasons for the additional overlay in its media release of 23 August 2024¹.

ANZBGL notes APRA’s comments confirming ANZ is financially sound with strong capital and liquidity levels. The impact of the additional operational risk overlay of A\$250 million is 6 basis points of Common Equity Tier 1 (CET1) capital².

ANZBGL acknowledges APRA’s concerns and is expediting work already underway to address the issues raised. This includes working with APRA on the scope of an independent culture and control review within ANZBGL’s Markets business which has already been initiated and will report to the Board.”

Regulatory and internal reviews of Suncorp Bank Group

The sub-section entitled "Recent Developments - ANZBGL completes acquisition of Suncorp Bank" in the section entitled "Description of Australia and New Zealand Banking Group Limited and its Subsidiaries" on page 158 of the Base Prospectus shall be supplemented by inserting the below at the end of the abovementioned section:

“Regulatory and internal reviews of Norfina Limited (ABN 66 010 831 722) (previously called Suncorp-Metway Limited) (“**Suncorp Bank**”) and its subsidiaries (“**Suncorp Bank Group**”)

Reviews and enquiries from regulators may result in investigation and administrative costs, system changes, litigation, and regulatory enforcement action (and associated legal costs), compensation and/or remediation payments (including interest) or fines. The Suncorp Bank Group conducts its own internal reviews of its regulatory compliance, which it may disclose to the regulators, which may result in similar costs.

² On a Level 2 June 2024 proforma basis (as disclosed in the 2024 Third Quarter Chart Pack released on 20 August 2024). The equivalent Level 1 impact is 7 basis points.

In recent periods, a number of regulators including Australian Securities and Investments Commission (“**ASIC**”), APRA, Australian Competition and Consumer Commission, Australian Transaction Reports and Analysis Centre (“**AUSTRAC**”) and the Australian Taxation Office conducted reviews and made enquiries with the Suncorp Bank Group, which included identification of potential non-compliance. There were a number of non-compliance instances identified and disclosed by the Suncorp Bank Group to various regulatory authorities including ASIC, APRA and AUSTRAC.

Suncorp Bank remains focused on uplifting the maturity of its Anti-Money Laundering and Counter-Terrorism Financing (AML/CTF) systems and controls. To ensure a strategic and holistic approach, Suncorp Bank’s management have established a Financial Crime Compliance Program of Action (FCCPoA). The FCCPoA incorporates the actions arising from AUSTRAC’s 2022 AML/CTF Compliance Assessment Report findings in relation to the Suncorp Bank’s AML Program as well as findings and recommendations from its internal assurance and audit work. Suncorp Bank’s management regularly reports to AUSTRAC on the progress of the FCCPoA.”
