

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion by the relevant Final Terms, shall be applicable to the Notes of each Series. Either (i) the full text of these conditions together with the applicable provisions of the relevant Final Terms or (ii) these conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on all Bearer Notes in definitive form or on the Certificates relating to Registered Notes in definitive form. Wording which appears in italics in the text does not form part of the terms and conditions.

This Note is one of a Series (as defined below) of Notes issued by either Australia and New Zealand Banking Group Limited ("**ANZBGL**"), ANZ Bank New Zealand Limited ("**ANZ Bank New Zealand**") or ANZ New Zealand (Int'l) Limited ("**ANZNIL**"), as specified in the relevant Final Terms. Notes issued by ANZNIL will be issued by it acting through its London branch. References herein to the "**Issuer**" shall be references to the party specified as "**Issuer**" in the Final Terms for this Note, and references to "**Issuers**" shall be to ANZBGL, ANZ Bank New Zealand and ANZNIL. References herein to "**Notes**" shall be references to the Notes of this Series (which, if the Final Terms for this Note specify "NZ Subordinated Note" as applicable, shall, where the context so requires, include subordinated Notes issued by ANZ Bank New Zealand ("**NZ Subordinated Notes**").

The Notes are issued pursuant to an Amended and Restated Agency Agreement dated 21 November 2023 (as further amended and/or supplemented and/or restated as at the Issue Date of the Notes, the "**Agency Agreement**") between the Issuers, ANZ Bank New Zealand as guarantor of the Notes issued by ANZNIL (the "**Guarantor**"), Deutsche Bank AG, London Branch as fiscal agent, calculation agent, paying agent and transfer agent and Deutsche Bank Trust Company Americas and Deutsche Bank Luxembourg S.A. as registrar and transfer agent and with the benefit of a Deed of Covenant dated 21 November 2023 (the "**Deed of Covenant**") executed by the Issuers in relation to the Notes. The fiscal agent, paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agents**" (which expression shall include the Fiscal Agent and, if applicable, the CMU Lodging Agent and the CMU Paying Agent for the time being appointed under Condition 6(e)), the "**Registrar**", the "**Transfer Agents**" and the "**Calculation Agent(s)**". The Guarantor has, for the benefit of the holders from time to time of the Notes issued by ANZNIL, executed and delivered a Deed of Guarantee dated 21 November 2023 (as amended and/or supplemented and/or restated from time to time, the "**Deed of Guarantee**") under which it has unconditionally and irrevocably guaranteed the due and punctual payment of all amounts due by ANZNIL under or in respect of the Notes issued by ANZNIL as and when the same shall become due and payable. Copies of the Agency Agreement, the Deed of Covenant and the Deed of Guarantee are available for inspection at the specified offices of each of the Paying Agents (if more than one), the Registrar and the Transfer Agents.

The Noteholders, the holders (the "**Couponholders**") of the interest coupons (the "**Coupons**") appertaining to interest-bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the "**Talons**") and the holders (the "**Receiptholders**") of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Notes in bearer form of which the principal is payable in instalments are bound by and are deemed to have notice of all of the provisions of the Agency Agreement, the Deed of Covenant and the Deed of Guarantee applicable to them.

As used herein, "**Tranche**" means Notes which are identical in all respects (including as to listing) and "**Series**" means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single Series and (ii) identical in all respects (including as to listing) except for the respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Final Terms for this Note (or the relevant provisions thereof) is endorsed on this Note and completes these Conditions and specifies which of these Conditions are applicable to this Note. References herein to the "Final Terms" are to the Final Terms (or the relevant provisions thereof) endorsed on this Note.

Words and expressions defined in the Agency Agreement or used in the Final Terms shall have the same meanings where used in these Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the Final Terms, the Final Terms will prevail.

1. **Form, Denomination and Title**

The Notes are issued in (i) bearer form ("**Bearer Notes**") or (ii) registered form ("**Registered Notes**"), in each case in the Specified Currency and in the denomination specified in the applicable Final Terms (the "**Specified Denomination**"). All Registered Notes shall have the same Specified Denomination.

This Note is a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Inverse Floating Rate Note, a Range Accrual Note, an Instalment Note, or a combination of any of the foregoing or may be an NZ Subordinated Note or any other relevant type of Note (as permitted by these Conditions), depending upon the Interest Basis or Redemption/Payment Basis or, in the case of an NZ Subordinated Note, depending on whether "NZ Subordinated Notes" is specified as applicable in the Final Terms. Notes issued as NZ Subordinated Notes must not be Zero Coupon Notes, Inverse Floating Rate Notes, Range Accrual Notes, Instalment Notes, CMS Rate Notes or any combination of any of the foregoing.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable. Instalment Notes are issued with one or more Receipts attached.

Registered Notes are represented by registered certificates ("**Certificates**") and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall, subject to mandatory rules of law, pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Certificate, Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "**Noteholder**" means the bearer of any Bearer Note and the Coupons, Talons and Receipts relating to it or the person in whose name a Registered Note is registered, and "**NZ Subordinated Noteholder**" means the Noteholder of an NZ Subordinated Note and the Receipts relating to it or, where the NZ Subordinated Note is a Registered Note, the person in whose name it is registered and "**holder**" (in relation to a Note, Receipt, Coupon or Talon) means the bearer of any Bearer Note, Receipt, Coupon or Talon, the person in whose name a Registered Note is registered.

2. **Exchange and Transfers of Notes**

(a) *Exchange of Notes*

Registered Notes may not be exchanged for Bearer Notes and vice versa. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination.

(b) *Transfer of Registered Notes*

Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and such other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer's or Noteholder's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In

the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Condition 2(b) or (c) shall be available for delivery five business days after receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "**business day**" means a day, other than a Saturday or Sunday, on which banks are open for business in the location of the specified office of the Registrar or the relevant Transfer Agent (as the case may be).

(e) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax, duty or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Issuer, the Registrar or the relevant Transfer Agent may require).

(f) *Closed Period*

No Noteholder may require the transfer of a Registered Note to be registered (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 5(f), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date.

3. **Status and Guarantee**

None of the Notes are deposit liabilities or protected accounts of ANZBGL for the purposes of the Banking Act 1959 of Australia (the "**Banking Act**").

(a) *Status of the Notes (other than NZ Subordinated Notes)*

The Notes (other than NZ Subordinated Notes) and the Receipts and Coupons relating to them constitute direct, unconditional and unsecured obligations of the Issuer and (save for certain debts of the Issuer required to be preferred by law, including but not limited to, where the Issuer is ANZBGL, those referred to in Divisions 2 and 2AA of Part II of the Banking Act and section 86 of the Reserve Bank Act 1959 of Australia) rank *pari passu* among themselves and equally with all other unsecured, unsecured obligations of the Issuer.

The debts which are preferred by law to the claim of a Noteholder in respect of a Note, including by virtue of the provisions referred to in the above paragraph of Condition 3(a), will be substantial and are not limited by the Conditions of the Notes. Without limitation to other applicable laws, in the case of Notes issued by ANZBGL, section 13A(3) of the Banking Act provides that, in the event ANZBGL becomes unable to meet its obligations or suspends payment, its assets in Australia are to be available to meet ANZBGL's liabilities in the following order: (i) liabilities to the Australian Prudential Regulation Authority ("APRA") in respect of any payments that APRA makes or is liable to make to (A) holders of

protected accounts under the Banking Act or (B) a body corporate pursuant to a determination made by APRA in connection with a transfer of the ADI's business to that body corporate (where that transfer includes liabilities of the ADI in respect of protected accounts) under the Financial Sector (Transfer and Restructure) Act 1999 of Australia, (ii) debts in respect of costs of APRA in certain circumstances, (iii) ANZBGL's liabilities in Australia in relation to protected accounts (as defined in the Banking Act) kept with ANZBGL, (iv) debts due to the Reserve Bank of Australia ("RBA"), (v) liabilities under certain certified industry support contracts; and (vi) all other liabilities of ANZBGL in their order of priority apart from section 13A(3). Changes to applicable law may extend the debts required to be preferred by law.

Notes which are not subordinated will rank senior to the Issuer's subordinated obligations, including, where the Issuer is ANZ Bank New Zealand, the NZ Subordinated Notes.

(b) *NZ Subordinated Notes – ANZ Bank New Zealand*

The NZ Subordinated Notes and the Receipts and Coupons relating to them may only be issued by ANZ Bank New Zealand, and will constitute direct, unsecured and subordinated obligations of ANZ Bank New Zealand. In the event of the liquidation of ANZ Bank New Zealand (see Condition 10) and prior to the commencement of the liquidation of ANZ Bank New Zealand (see Condition 4(v)) the Principal Amount of, any interest on, and any other payments in respect of the NZ Subordinated Notes will rank behind all claims of Senior Creditors, pari passu with Equal Ranking Securities and ahead of Junior Ranking Securities.

"Equal Ranking Securities" means all securities, instruments and other obligations that qualify as Tier 2 Capital or which rank or are expressed to rank equally with such securities, instruments or other obligations in a liquidation of ANZ Bank New Zealand, present and future.

"Junior Ranking Securities" means:

- (i) all fully paid securities and other instruments that qualify as Tier 1 Capital (including ordinary shares and perpetual preference shares), present and future; and
- (ii) all other securities and other instruments which rank or are expressed to rank behind Equal Ranking Securities, present and future.

"Senior Creditors" means a creditor (including a depositor) of ANZ Bank New Zealand to whom ANZ Bank New Zealand is indebted in respect of deposits and other liabilities, securities, instruments and other obligations of ANZ Bank New Zealand other than Equal Ranking Securities or Junior Ranking Securities, present and future.

In a liquidation of ANZ Bank New Zealand an NZ Subordinated Noteholder's claim for an amount owing by ANZ Bank New Zealand in connection with an NZ Subordinated Note is subordinated to the claims of Senior Creditors of ANZ Bank New Zealand, in that:

- (i) all claims of Senior Creditors must be paid in full before the NZ Subordinated Noteholder's claim is paid; and
- (ii) until the Senior Creditors have been paid in full, the NZ Subordinated Noteholder must not claim in the liquidation of ANZ Bank New Zealand in competition with the Senior Creditors so as to diminish any distribution, dividend or payment which, but for that claim, the Senior Creditors would have been entitled to receive.

By its purchase of an NZ Subordinated Note, each NZ Subordinated Noteholder irrevocably acknowledges and agrees:

- (i) that ANZ Bank New Zealand's obligations in respect of the NZ Subordinated Note are subordinated to the payment of Senior Creditors, in the manner provided above;
- (ii) that, in accordance with section 313(3) of the Companies Act 1993 (New Zealand) (the **"Companies Act"**), it is accepting a lower priority in respect of the debt represented by the NZ

Subordinated Note than that which it would otherwise have under section 313 of the Companies Act;

- (iii) that nothing in sections 310 or 313 of the Companies Act will prevent these Conditions from having effect in accordance with their terms;
- (iv) not to exercise its voting rights as an unsecured creditor in the liquidation of ANZ Bank New Zealand to defeat the subordination in this Condition 3(b);
- (v) that it must pay or deliver to the liquidator any amount or asset received on account of its claim in the liquidation of ANZ Bank New Zealand in respect of the NZ Subordinated Note in excess of its entitlement under this Condition 3(b);
- (vi) that the subordination effected by this Condition 3(b) is not affected by any act or omission of ANZ Bank New Zealand or a Senior Creditor which might otherwise affect it at law or in equity; and
- (vii) neither ANZ Bank New Zealand nor an NZ Subordinated Noteholder has any contractual right to set-off any sum at any time due and payable to an NZ Subordinated Noteholder or ANZ Bank New Zealand (as applicable) under or in relation to the NZ Subordinated Notes against amounts owing by the NZ Subordinated Noteholder to ANZ Bank New Zealand or by ANZ Bank New Zealand to the NZ Subordinated Noteholder (as applicable).

The NZ Subordinated Notes do not limit the amount of liabilities ranking senior to the NZ Subordinated Notes which may be hereafter incurred or assumed by ANZ Bank New Zealand.

Claims of NZ Subordinated Noteholders are also subject to the priority of certain debts preferred by law.

Nothing in this Condition 3(b) shall be taken to require the consent of any Senior Creditor to any amendment of this Condition 3(b).

- (c) *Guarantee — by ANZ Bank New Zealand (in respect of Notes issued by ANZNIL)*

Where the relevant Issuer is ANZNIL, the Guarantor has in the Deed of Guarantee unconditionally and irrevocably guaranteed the due and punctual payment of all amounts due by ANZNIL under or in respect of the Notes as and when the same shall become due and payable. This Guarantee of the Notes constitutes direct, unconditional and unsecured obligations of the Guarantor which (save for certain debts of the Guarantor required to be preferred by law) will at all times rank *pari passu* among themselves and equally with all other unsubordinated, unsecured obligations of the Guarantor. The Notes issued by ANZ Bank New Zealand and ANZNIL are not guaranteed by ANZBGL.

4. **Interest and other Calculations**

- (a) *Interest on Fixed Rate Notes*

- (i) Each Fixed Rate Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the Final Terms as specified Interest Payment Dates or, if no Interest Payment Date(s) is/are specified in the Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Final Terms as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.
- (ii) If a Fixed Coupon Amount or a Broken Amount is specified in the Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the Final Terms.

- (iii) *Calculation of Interest Amount:* The Interest Amount payable in respect of each Note for any period for which a Fixed Coupon Amount or Broken Amount is not specified in the Final Terms shall be calculated by applying the Rate of Interest to the Calculation Amount for such Note, multiplying the product by the relevant Day Count Fraction, rounding the resulting figure to the nearest unit of the Specified Currency (with halves being rounded up), save in the case of Yen, which shall be rounded down to the nearest Yen, and multiplying such rounded figure by a fraction equal to the Specified Denomination of such Note divided by the Calculation Amount. For this purpose, a "unit" means, in the case of any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, in the case of euro, means 0.01 euro, as the case may be.
- (iv) *Business Day Convention:* If "Business Day Convention – Adjusted" is specified to be applicable in the relevant Final Terms, (a) any Interest Payment Date otherwise falling on a day which is not a Business Day (as defined in Condition 4(p) below) will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the relevant Final Terms (as described below) and (b) the amount of interest payable on such Interest Payment Date will be adjusted accordingly and the provisions of subparagraphs (g) and (h) (excluding the determination and notification of the Rate of Interest) below shall apply, *mutatis mutandis*, as though references to "Floating Rate Notes" were to "Fixed Rate Notes" and references to "Interest Amounts" were to amounts of interest payable in respect of Fixed Rate Notes. If "Business Day Convention – No Adjustment" is specified to be applicable in the relevant Final Terms, any Interest Payment Date otherwise falling on a day which is not a Business Day will be postponed or brought forward (as applicable) in accordance with the Business Day Convention set out in the relevant Final Terms (as described below) and there will be no corresponding adjustment of the amount of interest payable on such Interest Payment Date.
- (b) *Interest on Floating Rate Notes*
- (i) *Interest Payment Dates:* Each Floating Rate Note bears interest on its outstanding Principal Amount from, and including, the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the Final Terms as specified Interest Payment Dates or, if no Interest Payment Date(s) is/are specified in the Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the Final Terms as the specified Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.
- (ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day (as defined in Condition 4(p) below), then that date will be adjusted in accordance with the Business Day Convention specified in the relevant Final Terms. If "No Adjustment of Interest Amounts" is specified to be applicable in the relevant Final Terms then notwithstanding the bringing forward or postponement (as applicable) of an Interest Payment Date as a result of the application of the Business Day Convention set out in the relevant Final Terms, the Interest Amount in respect of the relevant Interest Period and each subsequent Interest Period shall be calculated as aforesaid on the basis of the original Interest Payment Dates without adjustment in accordance with the applicable Business Day Convention.
- (iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes, other than in the case of (x) BBSW Notes or BKBM Notes, provisions in respect of which are set out in Condition 4(c) and Condition 4(d) below, (y) CMS Rate Notes, provisions in respect of which are set out in Condition 4(e) below and (z) Inverse Floating Rate Notes, provisions in respect of which are set out in Condition 4(f) below, for each Interest Accrual Period shall be determined in the manner specified in the Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply depending upon which is specified in the Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

If ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under an interest rate swap transaction if the Calculation Agent were acting as Calculation Agent for that interest rate swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (i) if the Final Terms specify either "2006 ISDA Definitions" or "2021 ISDA Definitions" as the applicable ISDA Definitions:
 - (A) the Floating Rate Option is as specified in the relevant Final Terms;
 - (B) the Designated Maturity, if applicable, is a period specified in the relevant Final Terms;
 - (C) the relevant Reset Date, unless otherwise specified in the relevant Final Terms, has the meaning given to it in the ISDA Definitions;
 - (D) the definition of 'Fallback Observation Day' in the ISDA Definitions shall be deemed deleted in its entirety and replaced with the following: 'Fallback Observation Day' means, in respect of a Reset Date and the Calculation Period (or any Compounding Period included in that Calculation Period) to which that Reset Date relates, unless otherwise agreed, the day that is five Business Days preceding the related Payment Date;
 - (E) if the specified Floating Rate Option is an Overnight Floating Rate Option, Compounding is specified to be applicable in the relevant Final Terms and:
 - (1) if Compounding with Lookback is specified as the Compounding Method in the relevant Final Terms then (a) Compounding with Lookback is the Overnight Rate Compounding Method and (b) Lookback is the number of Applicable Business Days specified in the relevant Final Terms;
 - (2) if Compounding with Observation Period Shift is specified as the Compounding Method in the relevant Final Terms then (a) Compounding with Observation Period Shift is the Overnight Rate Compounding Method, (b) Observation Period Shift is the number of Observation Period Shift Business Days specified in the relevant Final Terms and (c) Observation Period Shift Additional Business Days, if applicable, are the days specified in the relevant Final Terms; or
 - (3) if Compounding with Lockout is specified as the Compounding Method in the relevant Final Terms then (a) Compounding with Lockout is the Overnight Rate Compounding Method, (b) Lockout is the number of Lockout Period Business Days specified in the relevant Final Terms and (c) Lockout Period Business Days, if applicable, are the days specified in the relevant Final Terms;
 - (F) if the specified Floating Rate Option is an Overnight Floating Rate Option, Averaging is specified to be applicable in the relevant Final Terms and:
 - (1) if Averaging with Lookback is specified as the Averaging Method in the relevant Final Terms then (a) Averaging with Lookback is the

Overnight Rate Averaging Method and (b) Lookback is the number of Applicable Business Days specified in the relevant Final Terms;

- (2) if Averaging with Observation Period Shift is specified as the Averaging Method in the relevant Final Terms then (a) Averaging with Observation Period Shift is the Overnight Rate Averaging Method, (b) Observation Period Shift is the number of Observation Period Shift Business Days specified in the relevant Final Terms and (c) Observation Period Shift Additional Business Days, if applicable, are the days specified in the relevant Final Terms; or
 - (3) if Averaging with Lockout is specified as the Averaging Method in the relevant Final Terms then (a) Averaging with Lockout is the Overnight Rate Averaging Method, (b) Lockout is the number of Lockout Period Business Days specified in the relevant Final Terms and (c) Lockout Period Business Days, if applicable, are the days specified in the relevant Final Terms; and
 - (G) if the specified Floating Rate Option is an Index Floating Rate Option and Index Provisions are specified to be applicable in the relevant Final Terms, the Compounded Index Method with Observation Period Shift shall be applicable and, (a) Observation Period Shift is the number of Observation Period Shift Business Days specified in the relevant Final Terms and (b) Observation Period Shift Additional Business Days, if applicable, are the days specified in the relevant Final Terms;
- (ii) references in the ISDA Definitions to:
 - (A) "Confirmation" shall be references to the relevant Final Terms;
 - (B) "Calculation Period" shall be references to the relevant Interest Accrual Period;
 - (C) "Termination Date" shall be references to the Maturity Date;
 - (D) "Effective Date" shall be references to the Interest Commencement Date; and
 - (iii) if the Final Terms specify "2021 ISDA Definitions" as being applicable:
 - (A) "Administrator/Benchmark Event" shall be disappplied; and
 - (B) if the Temporary Non-Publication Fallback in respect of any specified Floating Rate Option is specified to be "Temporary Non-Publication Fallback – Alternative Rate" in the Floating Rate Matrix of the 2021 ISDA Definitions the reference to "Calculation Agent Alternative Rate Determination" in the definition of "Temporary Non-Publication Fallback – Alternative Rate" shall be replaced by "Temporary Non-Publication Fallback – Previous Day's Rate".
 - (iv) Unless otherwise defined in these Conditions, capitalised terms used in this Condition 4(b)(iii)(A) shall have the meaning ascribed to them in the ISDA Definitions.

- (B) *Screen Rate/Reference Bank Determination for Floating Rate Notes other than Floating Rate Notes referencing SONIA (Non-Index Determination), SONIA (Index Determination), SOFR (Non-Index Determination), SOFR (Index Determination), €STR (Non-Index Determination) or €STR (Index Determination)*

In respect of Floating Rate Notes other than Floating Rate Notes where the Reference Rate specified in the applicable Final Terms is SONIA (Non-Index Determination), SONIA (Index Determination), SOFR (Non-Index Determination), SOFR (Index Determination), €STR (Non-Index Determination) or €STR (Index Determination):

- (x) if Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be (subject to Condition 4(m) (*Benchmark Replacement*) and Condition 4(n)) (*Effect of Benchmark Transition Event*) (as determined by the Calculation Agent) on the following basis:
- (I) if the Reference Rate is a composite quotation or a quotation customarily supplied by one entity, the Calculation Agent will determine the Reference Rate for the Specified Maturity and the Specified Currency which appears on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date; or
 - (II) in any other case, the Calculation Agent will determine the arithmetic mean of the Reference Rates for the Specified Maturity and the Specified Currency which appear on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;
- (y) if sub-paragraph (x)(I) applies and no Reference Rate for the Specified Maturity and the Specified Currency appears on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (x)(II) applies and fewer than two Reference Rates appear on the Relevant Screen Page at the Relevant Time on the Interest Determination Date or if, in either case, the Relevant Screen Page is unavailable, subject as provided below:
- (A) the Issuer will appoint a Reference Banks Agent and the Reference Banks Agent will, at the request of the Issuer, request the principal Relevant Financial Centre office of each of the Reference Banks (or such of them, being at least two, as are so quoting) to provide a quotation of the Reference Rate for the Specified Maturity and the Specified Currency at approximately the Relevant Time on the Interest Determination Date to leading banks in the Relevant Financial Centre interbank market in an amount that is representative for a single transaction in that market at that time and will provide such responses to the Calculation Agent; and
 - (B) the Calculation Agent will determine the arithmetic mean of such quotations.
- (z) if paragraph (y) above applies and the Reference Banks Agent advises the Calculation Agent that fewer than two Reference Banks are so quoting the Reference Rate for the Specified Maturity and the Specified Currency, subject as provided below, the Calculation Agent shall determine the arithmetic mean of the rates per annum (expressed as a percentage) quoted by at least two out of five leading banks selected by the Reference Banks Agent (after consultation with the Issuer) in the Principal Financial Centre of the country of the Specified Currency and in an amount that is representative for a single transaction in that market at that time, in each case as selected by the Reference Banks Agent (after consultation with the Issuer), at or about the Relevant Time for a period commencing on the Effective Date equivalent to the relevant Interest Accrual Period, for loans in the Specified Currency to leading banks carrying on business in (I) Europe, or (II) (if the Reference Banks Agent advises the Calculation Agent

that fewer than two of such banks are so quoting to such leading banks in Europe), the Principal Financial Centre, in either case, as provided by the Reference Banks Agent to the Calculation Agent; provided, however, that if fewer than two of such banks are so quoting to such leading banks or the Reference Banks Agent or the Calculation Agent (as the case may be) is unable to determine a rate or (as the case may be) the Calculation Agent is unable to determine an arithmetic mean in accordance with the above provisions on any Interest Determination Date, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum Rate of Interest or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

- (C) *Screen Rate Determination for Floating Rate Notes where the Reference Rate specified in the applicable Final Terms is SONIA (Non-Index Determination):*

Where the Reference Rate is specified in the applicable Final Terms as being "SONIA (Non-Index Determination)", the Rate of Interest for each Interest Period will, as provided below, be Compounded Daily SONIA as calculated by the Calculation Agent (or the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest).

"**Compounded Daily SONIA**" means, in relation to any Interest Period, the rate of return of a daily compound interest investment (with the daily Sterling Overnight Index Average (SONIA) as the reference rate for the calculation of interest) and will be calculated by the Calculation Agent (or the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_o} \left(1 + \frac{SONIA_{i-pLBD} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

where:

"**d**" is the number of calendar days in the relevant Interest Accrual Period;

"**do**" is the number of London Banking Days in the relevant Interest Accrual Period;

"**i**" for any Interest Accrual Period is a series of whole numbers from one to do, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in such Interest Accrual Period;

"**London Banking Day**" or "**LBD**" means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

If the relevant rate does not appear on the CMS Screen Page at the CMS Reference Time, the CMS Rate will (subject to Condition 4(m) (*Benchmark Replacement*) and Condition 4(n) (*Effect of Benchmark Transition Event*)) be determined in accordance with the following procedures:

- (i) the Issuer will appoint a Reference Banks Agent and the Calculation Agent will determine the CMS Rate on the basis of the arithmetic mean of the Mid-Market Quotations notified to it by the Reference Banks Agent and which have been provided to the Reference Banks Agent by the CMS Reference Banks at approximately the CMS Reference Time on the Interest Determination Date in respect of such Interest Period by the Reference Banks Agent (at the request of the Issuer) requesting the principal Relevant Financial Centre office of each of the CMS Reference Banks to provide Mid-Market Quotations. If at least five Mid-Market Quotations are provided, the Reference Banks Agent shall provide these to the Calculation Agent who will determine the arithmetic mean of Mid-Market Quotations so provided by discarding the highest of such Mid-Market Quotations (or in event of equality, one of the highest) and lowest of such Mid-Market Quotations (or in event of equality, one of the lowest). If four Mid-Market Quotations are provided, the Reference Banks Agent shall provide these to the Calculation Agent who will

determine the arithmetic mean of such Mid-Market Quotations provided. All calculations of the arithmetic mean of the relevant number of Mid-Market Quotations provided pursuant to this paragraph will be rounded to the nearest one thousandth of a percentage point, with 0.0005 being rounded upwards; and

- (ii) If less than four Mid-Market Quotations are provided, the CMS Rate for that Interest Determination Date will be the same as the rate used for the prior Interest Reset Period.

Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(l) *Determination and Publication of Rate of Interest, Interest Amounts, Final Redemption Amounts and Instalment Amounts*

As soon as practicable after the Relevant Time on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any rate or amount or Instalment Amount, obtain any quotation or make any determination or calculation, it shall determine such rate and

calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, the Guarantor (if applicable), each of the Paying Agents, the Noteholders, the Registrar, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange (and/or admitted to listing, trading and/or quotation on any other listing authority, stock exchange and/or quotation system) and the rules of such listing authority, stock exchange and/or quotation system so require, such listing authority, stock exchange and/or quotation system as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Accrual Period, if determined prior to such time in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Accrual Period is subject to adjustment pursuant to Condition 4(a)(iv) or Condition 4(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Accrual Period. If the Calculation Amount is less than the minimum Specified Denomination, the Calculation Agent shall not be obligated to publish each Interest Amount but instead may publish only the Calculation Amount and the Interest Amount in respect of a Note having the minimum Specified Denomination. If the Notes become due and payable under Condition 9 (*Events of Default*), the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) or such other person specified in the applicable Final Terms as the party responsible for making any such calculation or determination shall (in the absence of manifest error) be final and binding upon all parties.

(m) *Benchmark Replacement*

This Condition 4(m) (*Benchmark Replacement*) applies where the relevant Reference Rate specified in the applicable Final Terms is a rate other than SOFR (Non-Index Determination) or SOFR (Index Determination). Notwithstanding the provisions above in Conditions 4(b), (c), (d), (e) and (f), if the Issuer (in consultation with the Calculation Agent (or the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest)) determines that a Benchmark Disruption Event has occurred when any Rate of Interest (or the relevant component part thereof) remains to be determined by reference to such Reference Rate affected by the Benchmark Disruption Event, then the following provisions shall apply:

(i) **Independent Adviser**

The Issuer shall use its reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, with a view to the Independent Adviser determining a Successor Rate, failing which an Alternative Rate (in accordance with Condition 4(m)(ii)) and, in either case, an Adjustment Spread if any (in accordance with Condition 4(m)(iv)) and any Benchmark Amendments (in accordance with Condition 4(m)(v)).

(ii) **Successor Rate or Alternative Rate**

If the Independent Adviser, following consultation with the Issuer and acting in good faith and in a commercially reasonable manner, determines, no later than the IA Determination Cut-off Date that: (A) there is a Successor Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Successor Rate (subject to adjustment as provided in Condition 4(m)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(m)); or (B) there is no Successor Rate but that there is an Alternative Rate, then it shall notify the Calculation Agent and the Calculation Agent shall use such Alternative Rate

(subject to adjustment as provided in Condition 4(m)(iv)) in place of the Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(m)).

(iii) **Issuer Determination**

If the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser appointed by it fails to determine a Successor Rate or Alternative Rate prior to the IA Determination Cut-off Date, then, if it elects to do so, the Issuer (acting in good faith and in a commercially reasonable manner) may determine a Successor Rate or Alternative Rate for the purposes of Condition 4(m)(ii);

(iv) **Adjustment Spread**

If the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then the Independent Adviser (or the Issuer as the case may be) shall notify the Calculation Agent of such Adjustment Spread and the Calculation Agent shall apply it to the Successor Rate or the Alternative Rate (as the case may be).

(v) **Benchmark Amendments**

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 4(m) and the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines (i) that amendments to these Conditions and/or the Agency Agreement and/or any other agreement or document relating to the Notes are necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (ii) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 4(m)(vi), without any requirement for the consent or approval of Noteholders, at the Issuer's expense, vary these Conditions and/or the Agency Agreement and/or any other agreement or document relating to the Notes as is necessary to give effect to such Benchmark Amendments with effect from the date specified in such notice. The Fiscal Agent and/or each other party to an applicable agreement shall not be obliged to concur if in their opinion doing so would impose more onerous obligations on them or expose them to any additional duties, responsibilities or liabilities or reduce or amend their rights and/or the protective provisions afforded to them in these Conditions or in any other document to which they are a party in any way. For the avoidance of doubt, no consent of the Noteholders of the relevant Series shall be required in connection with effecting the Benchmark Amendments or such other changes, including for the execution of any documents or the taking of other steps by the Issuer or any of the parties to the Agency Agreement (if required). In connection with any such variation in accordance with this Condition 4(m)(v), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(vii) **Survival of Reference Rate**

Without prejudice to the provisions of this Condition 4(m), the Reference Rate and the fallback provisions provided for in Condition 4(b)(iii)(B) will continue to apply unless and until the Calculation Agent has been notified of the Successor Rate or the Alternative Rate (as the case may be), and any Adjustment Spread and Benchmark Amendments, in accordance with Condition 4(m)(v).

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(m), in determining any Adjustment Spread or other relevant methodology for the purposes of Condition 4(m)(iii), the Issuer shall not and shall not be obliged to apply and may discount any Adjustment Spread or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 or Regulation (EU) 2016/1011 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.

In the case of NZ Subordinated Notes only, any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments determined in accordance with Condition 4(m)(ii), (iii), (iv) or (v) (*Benchmark Replacement*), will be subject to ANZ Bank New Zealand giving the RBNZ at least five working days' prior notice of any Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments determined in accordance with Condition 4(m)(ii), (iii), (iv) or (v) (*Benchmark Replacement*) in each case, such notice to be accompanied by any supporting documentation required by the RBNZ's prudential regulatory requirements, including a signed opinion from ANZ Bank New Zealand's New Zealand legal counsel confirming that, once the Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments (as applicable) is in effect, such NZ Subordinated Notes will continue to qualify as Tier 2 Capital.

NZ Subordinated Noteholders should note that ANZ Bank New Zealand would not be able to comply with the RBNZ notification requirement and that, consequently, no Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments (as applicable) could be applied, if the effect of any such Successor Rate, Alternative Rate, Adjustment Spread or Benchmark Amendments (as applicable) would be that such NZ Subordinated Notes would no longer qualify as Tier 2 Capital (as defined in Condition 4(p) in respect of ANZ Bank New Zealand).

For the purposes of this Condition 4(m) (*Benchmark Replacement*):

"**Adjustment Spread**" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, determines is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- (i) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or (if no such recommendation has been made, or in the case of an Alternative Rate);
- (ii) the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), acting in good faith and in a commercially reasonable manner, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions or is in customary market usage in the debt capital market for transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Rate (as the case may be) (or if the Independent Adviser (or the Issuer as the case may be) determines that no such industry standard is recognised or acknowledged); or
- (iii) the Independent Adviser following consultation with the Issuer (or the Issuer as the case may be), in its discretion, and acting in good faith and in a commercially reasonable manner, determines to be appropriate.

"Alternative Rate" means an alternative benchmark or screen rate which the Independent Adviser (or the Issuer as the case may be) determines in accordance with Condition 4(m)(ii) has replaced the Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Notes.

"Benchmark Amendments" has the meaning given to it in Condition 4(m)(v).

"Reference Rate" means the originally-specified benchmark or screen rate (as applicable) used to determine the Rate of Interest (or any component part thereof) on the Notes or any Successor Rate or Alternative Rate which has been determined in relation to such benchmark or screen rate (as applicable) pursuant to the operation of this Condition.

- (i) **Benchmark Replacement**

If the Issuer or its designee determines that a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any determination of the Benchmark on any date, the Benchmark Replacement will

(ii) **Benchmark Replacement Conforming Changes**

In connection with the implementation of a Benchmark Replacement, the Issuer or its designee will have the right to make Benchmark Replacement Conforming Changes from time to time.

(iii) **Decisions and Determinations**

For the avoidance of doubt and notwithstanding any other provision of this Condition 4(n), in determining any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment or for the purposes of making any other determination for the purposes of this Condition, the Issuer shall not and shall not be obliged to apply and may discount any factor or methodology the application of which may constitute it an administrator for the purposes of Regulation (EU) 2016/1011 in the European Union or as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018, as amended.

In the case of NZ Subordinated Notes only, any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment determined in accordance with this Condition 4(n) (*Effect of Benchmark Transition Event*), will be subject to ANZ Bank New Zealand giving the RBNZ at least five working days' prior notice of any Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment determined in accordance with this Condition 4(n) (*Effect of Benchmark Transition Event*) in each case, such notice to be accompanied by any supporting documentation required by the RBNZ's prudential regulatory requirements, including a signed opinion from ANZ Bank New Zealand's New Zealand legal counsel confirming that, once the Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment is in effect, such NZ Subordinated Notes will continue to qualify as Tier 2 Capital.

NZ Subordinated Noteholders should note that ANZ Bank New Zealand would not be able to comply with the RBNZ notification requirement and that, consequently, no Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment (as applicable) could be applied, if the effect of any such Benchmark Replacement, Benchmark Replacement Conforming Changes or Benchmark Replacement Adjustment (as applicable) would be that such NZ Subordinated Notes would no longer qualify as Tier 2 Capital (as defined in Condition 4(p) in respect of ANZ Bank New Zealand).

For the purposes of this Condition 4(n) (*Effect of Benchmark Transition Event*):

Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount or Optional Redemption Amount or to comply with any other requirement, the Issuer or, failing which and if applicable, the Guarantor shall appoint a leading bank or investment banking firm engaged in the inter-bank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. (u) *Conditions of Payment in respect of NZ Subordinated Notes*

At any time before the Maturity Date or the liquidation of ANZ Bank New Zealand:

- (i) payment by ANZ Bank New Zealand of interest, principal or any other payments owing to an NZ Subordinated Noteholder in connection with an NZ Subordinated Note is conditional upon ANZ Bank New Zealand being Solvent at the time the payment is due; and
- (ii) ANZ Bank New Zealand must not pay any amount to an NZ Subordinated Noteholder in connection with an NZ Subordinated Note except to the extent that ANZ Bank New Zealand may pay the amount and still be Solvent immediately after paying the amount,

and if, pursuant to this Condition, ANZ Bank New Zealand fails to make any payment of principal, or interest, or any other payment (including additional amounts) in respect of any NZ Subordinated Note when due, such failure will not constitute an Event of Default for the purposes of Condition 9(b)(ii).

A certificate signed by an authorised signatory or an auditor of ANZ Bank New Zealand or, in a liquidation of ANZ Bank New Zealand, its liquidator as to whether ANZ Bank New Zealand is Solvent at any time is (in the absence of wilful default, bad faith or manifest error) conclusive evidence of the information contained in the certificate and will be binding on the NZ Subordinated Noteholders. In the absence of any such certificate, the NZ Subordinated Noteholders are entitled to assume (unless the contrary is proved) that ANZ Bank New Zealand is Solvent at the time of, and will be Solvent immediately after, any payment on or in respect of the NZ Subordinated Notes.

Any amount not paid due to this Condition 4(v) accumulates and remains a debt owing to the NZ Subordinated Noteholder by ANZ Bank New Zealand until it is paid and will be payable on the first Business Day on which the solvency condition in this Condition 4(v) is satisfied (whether or not such date is otherwise a payment date).

If for any reason any Principal Amount has not been paid in full on the Maturity Date, interest will continue to accrue (after as well as before any demand judgment) on the unpaid Principal Amount at the applicable Rate of Interest to the date on which payment in full of the Principal Amount is made. If for any reason (including because of the solvency condition to payment in this Condition 4(v)) an Interest Amount has not been paid in full on the relevant Interest Payment Date, then the unpaid amount of such Interest Amount will earn interest at the applicable Rate of Interest that applies to the NZ Subordinated Notes, accruing daily, to the date on which payment in full of the Interest Amount is made. Such accrued interest is payable on the date on which the relevant Principal Amount or Interest Amount is paid in full.

5. **Redemption, Purchase and Options**

(a) *Redemption by Instalments and Final Redemption*

- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 5 or unless the relevant Instalment Date (being one of the dates so specified in the Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 5(f) or 5(g), each Note that provides for Instalment Dates and Instalment Amounts (each an "**Instalment Note**") shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the Final Terms. The outstanding Principal Amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the Principal Amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on

presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

- (ii) Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 5(f) or 5(e), each Note shall be finally redeemed on the Maturity Date specified in the Final Terms at its Final Redemption Amount or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount.

(b) *Redemption for Taxation Reasons Applicable to all Notes (other than NZ Subordinated Notes)*

In respect of any Note which is not an NZ Subordinated Note, if, as a result of any change in or amendment to the laws or regulations of the jurisdiction of incorporation of the Issuer and/or, where the Issuer is acting through its branch, the jurisdiction, country or territory in which the branch through which the Issuer is acting is located and/or, if applicable, the jurisdiction of incorporation of the Guarantor, or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations or any ruling, confirmation or advice from any taxing authority, which change or amendment or ruling becomes effective on or after the Issue Date shown on the face of any Note, the Issuer or, if applicable, the Guarantor (if the Guarantor was or is obliged to make a payment under the Guarantee) has or will become obliged to pay additional amounts as provided in Condition 7 (*Taxation*), the Issuer may at its option, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (in the case of Floating Rate Notes), on giving not more than 60 nor less than 30 days' notice to the Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the Notes of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or, if applicable, the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due or (as the case may be) an obligation to make a payment under the Guarantee were then made. Prior to the publication of any notice of redemption pursuant to this Condition 5(b), the Issuer shall deliver to the Fiscal Agent a certificate signed by two persons each of whom is either a Director, a Senior Executive, an authorised representative or of equivalent status of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

- (ii) there has been, or there will be, a change in the application, interpretation or administration of any New Zealand law, regulation, ruling or directive by any authority (including the New Zealand Inland Revenue Department); or
- (iii) any member of the ANZ Bank New Zealand Group is or will be required to comply with a change in any New Zealand law regulation, ruling or directive or changed application, interpretation or administration,

which directly or indirectly affects the taxation treatment in relation to the NZ Subordinated Note with the effect that any member of the ANZ Bank New Zealand Group would be exposed to an increase to its costs in relation to any NZ Subordinated Note (an "**NZ Subordinated Note Tax Event**"), provided that such event is not minor and could not reasonably have been anticipated by ANZ Bank New Zealand at the Issue Date, ANZ Bank New Zealand may at its option, at any time (if this NZ Subordinated Note is not a Floating Rate Note) or on any Interest Payment Date (in the case of Floating Rate Notes) and subject to Condition 5(j), on giving not more than 60 nor less than 30 days' notice to the NZ Subordinated Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the NZ Subordinated Notes of the relevant Series at their Early Redemption Amount together with interest accrued to the date fixed for redemption, provided that no such notice of redemption shall be

given earlier than 90 days prior to the earliest date on which the relevant member of the ANZ Bank New Zealand Group would be exposed to an increase to its costs in relation to the NZ Subordinated Note. Prior to the publication of any notice of redemption pursuant to this Condition 5(c), ANZ Bank New Zealand shall deliver to the Fiscal Agent a certificate signed by an authorised signatory of ANZ Bank New Zealand stating that ANZ Bank New Zealand is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of the ANZ Bank New Zealand so to redeem have occurred.

(d) *Redemption of NZ Subordinated Notes for Regulatory Reasons*

If specified as applicable in the relevant Final Terms, upon the occurrence of an NZ Subordinated Note Regulatory Event, subject to Condition 5(j), ANZ Bank New Zealand may at its option, at any time (if the NZ Subordinated Note is not a Floating Rate Note) or on any Interest Payment Date (in the case of an NZ Subordinated Note that is a Floating Rate Note) and on giving not more than 60 nor less than 30 days' notice to the NZ Subordinated Noteholders of the relevant Series (which notice shall be irrevocable) redeem all, but not some only, of the NZ Subordinated Notes of the relevant Series at the Early Redemption Amount together with interest accrued to the date fixed for redemption. Prior to the publication of any notice of redemption pursuant to this Condition 5(d), ANZ Bank New Zealand shall deliver to the Fiscal Agent a certificate signed by an authorised signatory of ANZ Bank New Zealand stating that ANZ Bank New Zealand is entitled to effect such redemption and setting forth a statement of the facts showing that the conditions precedent to the right of ANZ Bank New Zealand so to redeem have occurred.

For the purposes of this Condition 5(d):

"**NZ Subordinated Note Regulatory Event**" means a determination by ANZ Bank New Zealand, in its absolute discretion, that there has been, or there will be, any amendment to, clarification of, change in or to, change in the interpretation, application or administration of, or imposition of:

- (i) any law, regulation or directive in New Zealand;
- (ii) any official administrative pronouncement or action or judicial decision interpreting or applying any law, regulation or directive in New Zealand; or
- (iii) any order, direction, standard, requirement (including any prudential regulation requirement), guideline or statement of the RBNZ (whether or not having the force of law),

in each case that applies, or is to apply, after the Issue Date and, as a result, either:

- (A) ANZ Bank New Zealand is or will be adversely affected in relation to its regulatory capital treatment of the NZ Subordinated Notes; or
- (B) ANZ Bank New Zealand is not or will not be entitled to treat some or all of the NZ Subordinated Notes as Tier 2 Capital,

provided that such event is not minor and could not reasonably have been anticipated by ANZ Bank New Zealand at the Issue Date.

(e) *Early Redemption of Zero Coupon Notes*

- (i) The Early Redemption Amount payable in respect of any Zero Coupon Note that does not bear interest prior to the Maturity Date, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 5(b) or upon it becoming due and payable as provided in Condition 9(a), shall be the Amortised Face Amount (calculated as provided below) of such Note.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the "**Amortised Face Amount**" of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted to the date of its early redemption at a rate per annum (expressed as a percentage)

equal to (A) where Compound Interest is specified in the Final Terms, the "**Amortisation Yield**" (which, if none is set out in the Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the Issue Price of the Notes if such Notes were discounted back from the Maturity Date to the Issue Date) compounded annually, or (B) where Linear Interest is specified in the Final Terms, an amount per Calculation Amount calculated in accordance with the following formula:

$$\begin{aligned} \text{Amortised Face Amount} \\ = \text{Calculation Amount} + (\text{Accreting Payment Amount} \times A) + B \end{aligned}$$

- (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5(b) or upon it becoming due and payable as provided in Condition 9(a) is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein, in the case of sub-paragraph (A), to the date on which the Note becomes due and payable or, in the case of sub-paragraph (B), the Early Redemption Date, were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (after, as well as before, judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4(i).

Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise of the Issuer's option shall only relate to Notes of a Principal Amount at least equal to the Minimum Redemption Amount to be redeemed specified in the Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place as may be fair and reasonable in the circumstances, having regard to prevailing market practices and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements. So long as the Notes are listed on the Official List of the UK Financial Conduct Authority and admitted to trading on the main market of the London Stock Exchange and/or admitted to listing, trading and/or quotation on any other listing authority, stock exchange and/or quotation system and the rules of the relevant listing authority, stock exchange and/or quotation system so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in London (which is expected to be the *Financial Times*), or as specified by such other listing authority, stock exchange and/or quotation system, a notice specifying the aggregate principal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer, except that such Note or Certificate will be returned to the relevant Noteholder by the Paying Agent, the Registrar or Transfer Agent with which it has been deposited if, prior to the due date for its redemption or the exercise of the option, the Note becomes immediately due and payable or if upon due presentation payment of the redemption moneys is not made or exercise of the option is denied.

(i) either:

(A) the NZ Subordinated Notes the subject of the redemption are replaced concurrently or beforehand with paid-up Regulatory Capital of the same or better quality and contributing at least the same regulatory capital amount (for the purposes of the RBNZ's capital adequacy requirements applying to ANZ Bank New Zealand at the time of the redemption) and the terms and conditions of the replacement instrument are sustainable for the income capacity of the ANZ Bank New Zealand Group; or

(B) if ANZ Bank New Zealand does not intend to replace the NZ Subordinated Notes the subject of the redemption, ANZ Bank New Zealand has demonstrated to the RBNZ's satisfaction that, after the redemption, the ANZ Bank New Zealand Group's capital ratios would be sufficiently above their respective minimums and the prudential capital buffer ratio would be sufficiently above its buffer trigger ratio; and

(ii) ANZ Bank New Zealand has provided any information and supporting documentation required by the RBNZ's prudential regulatory requirements to the RBNZ.

NZ Subordinated Noteholders should not expect that the RBNZ's approval will be given for any redemption or purchase of NZ Subordinated Notes.

6. Payments and Talons

(a) *Bearer Notes*

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment

Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 6(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 6(f)(ii)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the currency in which such payment is due drawn on, or, at the option of the holder, by transfer to an account denominated in that currency with, a bank in the Principal Financial Centre for that currency; provided, however, that:

- (i) payments in a Specified Currency other than euro will be made by transfer to an account in the relevant Specified Currency maintained by the payee with, or by a cheque in such Specified Currency drawn on, a bank in the Principal Financial Centre of the country of such Specified Currency (which (A) if the Specified Currency is New Zealand dollars shall be Wellington and Auckland; provided that where ANZNIL is the Issuer such account and bank shall be located outside of New Zealand, (B) if the Specified Currency is Australian dollars, shall be Sydney and (C) if the Specified Currency is Renminbi, shall be Hong Kong); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; provided that where ANZNIL is the Issuer such euro account or bank on which such euro cheque is drawn shall be located outside of New Zealand.

(b) *Registered Notes*

- (i) Payments of principal (which for the purposes of this Condition 6(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar in the manner provided in sub-paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 6(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the 15th day before the due date for payment thereof (the "**Record Date**"). Payments of interest in respect of each Registered Note shall be made in the relevant Specified Currency by cheque drawn on a bank in the Principal Financial Centre of the country of such Specified Currency (which (A) if the Specified Currency is New Zealand dollars shall be Wellington and Auckland provided that where ANZNIL is the Issuer such account and bank shall be located outside of New Zealand, and (B) if the Specified Currency is Australian dollars, shall be Sydney and (C) if the Specified Currency is Renminbi, shall be Hong Kong), and mailed to the holder (or the first-named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date and subject as provided in paragraph 6(a) above, such payment of interest may be made by transfer to an account in the Specified Currency maintained by the payee with a bank in the Principal Financial Centre of the country of such Specified Currency (which (x) if the Specified Currency is New Zealand dollars shall be Wellington and Auckland; provided that where ANZNIL is the Issuer such account and bank shall be located outside of New Zealand, and (y) if the Specified Currency is Australian dollars, shall be Sydney and (C) if the Specified Currency is Renminbi, shall be Hong Kong); provided, however, that in the case of euro, the transfer may be to, or the cheque drawn on, a euro account with a bank in the European Union.

So long as the Notes are represented by a Registered Global Note, the "Record Date" shall be the close of business (in the relevant clearing system) on the Clearing System Business Day before the due date for such payment where "Clearing System Business Day" means a day on which the relevant clearing system is open for business.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at

all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws*

All payments are subject in all cases to (i) any applicable fiscal or other laws regulations and directives, and (ii) any withholding or deduction made for or on account of FATCA but without prejudice to the provisions of Condition 7 (*Taxation*). No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments. For the avoidance of doubt, any amounts to be paid in respect of the Notes will be paid net of any deduction or withholding made for or on account of FATCA and, notwithstanding any other provision of these Conditions, no additional amounts will be required to be paid on account of any such deduction or withholding. References to Specified Currency will include any successor currency under applicable law.

(e) *Appointment of Agents*

The Fiscal Agent, the other Paying Agents (if any), the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and the Guarantor and their respective specified offices are listed below. The Fiscal Agent, the other Paying Agents (if any), the Registrar, Transfer Agents and the Calculation Agent act solely as agents of the Issuer and, if applicable, the Guarantor and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer and, if applicable, the Guarantor reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer and, if applicable, the Guarantor shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes (including a Transfer Agent having its specified office in London so long as any Registered Notes are listed on the Official List of the UK Financial Conduct Authority and admitted to trading on the London Stock Exchange), (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities (including London so long as the Notes are listed on the Official List of the UK Financial Conduct Authority and admitted to trading on the London Stock Exchange), (vi) such other agents as may be required by the rules of any other listing authority, stock exchange and/or quotation system on which the Notes may be admitted to listing, trading and/or quotation, and (vii) so long as any Notes are held in the CMU Service, there will at all times be appointed a CMU lodging agent (the "**CMU Lodging Agent**") and a paying agent with a specified office in such place as required by the CMU Service (the "**CMU Paying Agent**").

In addition, the Issuer and, if applicable, the Guarantor shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in Condition 6(c).

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 14 (*Notices*).

(f) *Unmatured Coupons and Receipts and Unexchanged Talons*

- (i) In the case of Fixed Rate Notes, Bearer Notes should be surrendered for payment together with all unexpired Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unexpired Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unexpired Coupon which the sum of principal so paid bears to the total principal due) will be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted will be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8 (*Prescription*)).
- (ii) In the case of Floating Rate Notes and Range Accrual Notes upon the due date for redemption of any Bearer Note, unexpired Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

- (iii) Upon the due date for redemption of any Bearer Note, any Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note which is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note which provides that the relative Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provisions of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Notes is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Note or Certificate representing it, as the case may be. Interest accrued on a Note which only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 8 (*Prescription*)).

(h) *Non-Business Days*

If any date for payment in respect of any Note, Receipt or Coupon is not a Payment Business Day, the holder shall not be entitled to payment until (i) if "Following" is specified as the Payment Business Day Convention in the applicable Final Terms, the next following Payment Business Day or (ii), if "Modified Following" is specified as the Payment Business Day Convention in the applicable Final Terms, the next following Payment Business Day unless that Payment Business Day falls in the next calendar month, in which case the first preceding Payment Business Day. In this paragraph, "**Payment Business Day**" means a day (other than a Saturday or a Sunday) on which:

- (i) commercial banks and foreign exchange markets settle payments generally in such jurisdictions as shall be specified as "**Additional Financial Centres**" in the Final Terms, in London and Sydney where ANZBGL is the Issuer, in London, Auckland and Wellington where ANZ Bank New Zealand or ANZNIL is the Issuer and, where relevant, in the relevant place of presentation; and
- (ii) (in the case of a payment in a currency other than euro or Australian dollars where ANZBGL is the Issuer, or New Zealand dollars where ANZ Bank New Zealand or, as the case may be, ANZNIL is the Issuer, where payment is to be made by transfer in the relevant currency to an account maintained with a bank) foreign exchange transactions may be carried on in the relevant currency in the Principal Financial Centre of the country of such currency; or
- (iii) (in the case of a payment in euro) banks are open for business and carrying out transactions in euro in the jurisdiction in which the account specified by the payee is located and a day on which the T2 System is open; and
- (iv) in respect of Notes for which the Reference Rate specified in the applicable Final Terms is SOFR (Index Determination) or SOFR (Non-Index Determination), any weekday that is a U.S. Government Securities Business Day and is not a legal holiday in New York and each (if any) Additional Financial Centre(s) and is not a date on which banking institutions in those cities are authorised or required by law or regulation to be closed.

(i) *Euro and Redenomination*

References to euro are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to Article 123 of the Treaty.

Unless otherwise specified in the Final Terms, Notes denominated in the currency (the "**Relevant Currency**") of a Member State that does not participate in the third stage of European economic and monetary union prior to the Issue Date of the relevant Notes may, at the election of the Issuer, be subject to redenomination in the manner set out below. In relation to such Notes the Issuer may, without the consent of the Noteholders or Couponholders, on giving at least 30 days' prior notice to Noteholders, the Fiscal Agent and each of the Paying Agents and Transfer Agents, designate a "**Redenomination Date**" for the Notes, being a date for payment of interest under the Notes falling on or after the date on which the relevant Member State commences participation in such third stage.

With effect from the Redenomination Date, notwithstanding the other provisions of the Conditions:

- (i) the Notes shall (unless already so provided by mandatory provisions of applicable law) be deemed to be redenominated in euro in the denomination of euro 0.01 with a principal amount for each Note equal to the principal amount of that Note in the Relevant Currency, converted into euro at the rate for conversion of the Relevant Currency into euro established by the Council of the European Union pursuant to the Treaty (including compliance with rules relating to rounding in accordance with European Community regulations) provided that, if the Issuer determines that the then market practice in respect of the redenomination into euro 0.01 of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, any listing authority, stock exchange and/or quotation system on which the Notes may be listed, the Fiscal Agent and each of the Paying Agents and Transfer Agents of such deemed amendment;
- (ii) if Notes in definitive form are required to be issued, they shall be issued at the expense of the Issuer in the denominations of euro 0.01, euro 1,000, euro 10,000, euro 100,000 and such other denominations as the Fiscal Agent shall determine and notify to Noteholders;
- (iii) if Notes in definitive form have been issued, all unmatured Receipts and Coupons denominated in the Relevant Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives the notice (the "**Exchange Notice**") that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes so issued will also become void on that date although those Notes will continue to constitute valid exchange obligations of the Issuer. New certificates in respect of euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Relevant Currency in such manner as the Fiscal Agent may specify and as shall be specified to Noteholders in the Exchange Notice;
- (iv) all payments in respect of the Notes (other than, unless the Redenomination Date is on or after such date as the Relevant Currency ceases to be a subdivision of the euro, payments of interest in respect of periods commencing before the Redenomination Date) will be made solely in euro. Such payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or by cheque; and
- (v) the amount of interest in respect of Notes will be calculated by reference to the aggregate principal amount of Notes presented (or, as the case may be, in respect of which Receipts or Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01.

In connection with such redenomination, the Issuer may, after consultation with the Fiscal Agent, make such other changes to the Conditions applicable to the relevant Notes as it may decide so as to conform them to the then market practice in respect of euro-denominated debt securities issued in the euromarkets which are held in international clearing systems. Any such changes will not take effect until the next following Interest Payment Date after they have been notified to the Noteholders in accordance with Condition 14 (*Notices*).

(j) *Payment of U.S. Dollar Equivalent in respect of CNY Notes*

Notwithstanding the foregoing, if by reason of Inconvertibility, Non transferability or Illiquidity, the Issuer is not able to satisfy payments of principal or interest in respect of any Notes which are denominated in Renminbi ("**CNY Notes**") when due in Renminbi in Hong Kong, the Issuer may, on giving not less than five or more than 30 calendar days' irrevocable notice to the Noteholders prior to the due date for payment, settle any such payment in U.S. dollars on the due date at the U.S. Dollar Equivalent of any such Renminbi-denominated amount.

For the purposes of these Conditions, "**US Dollar Equivalent**" means the Renminbi amount converted into U.S. dollars using the Spot Rate for the relevant Determination Date.

For this purpose:

"**Calculation Agent**" means Deutsche Bank AG, London Branch;

"**CNY**" means the lawful currency of the PRC;

"**Determination Business Day**" means a day (other than a Saturday or Sunday) on which commercial banks are open for general business (including dealings in foreign exchange) in Hong Kong, Beijing, London and in New York City;

"**Determination Date**" means the day which is two Determination Business Days before the due date for any payment of the relevant amount under these Conditions;

"**Governmental Authority**" means any de facto or de jure government (or any agency or instrumentality thereof), court, tribunal, administrative or other governmental authority or any other entity (private or public) charged with the regulation of the financial markets (including the central bank) of Hong Kong;

"**Hong Kong**" means the Hong Kong Special Administrative Region of the PRC;

"**Illiquidity**" means that the general Renminbi exchange market in Hong Kong has become illiquid and, as a result of which, the Issuer cannot obtain sufficient Renminbi in order to satisfy its obligation to pay interest and principal (in whole or in part) in respect of the CNY Notes, as determined by the Issuer in good faith and in a commercially reasonable manner following consultation (if practicable) with two Renminbi Dealers;

"**Inconvertibility**" means the occurrence of any event that makes it impossible for the Issuer to convert any amount due in respect of the CNY Notes in the general Renminbi exchange market in Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after 8 August 2012 and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation);

"**Non transferability**" means the occurrence of any event that makes it impossible for the Issuer to transfer Renminbi between accounts inside Hong Kong or from an account inside Hong Kong to an account outside Hong Kong or from an account outside Hong Kong to an account inside Hong Kong, other than where such impossibility is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after 8 August 2012 and it is impossible for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation);

"**PRC**" means the People's Republic of China which, for the purpose of these Conditions, shall exclude Hong Kong, the Macau Special Administrative Region of the People's Republic of China and Taiwan;

If neither rate is available, the Calculation Agent will determine the Spot Rate at or around 11.00 a.m. (Hong Kong time) on the Determination Date as the most recently available CNY/US dollar official fixing rate for settlement in two Determination Business Days reported by The State Administration of Foreign Exchange of the PRC, which is reported on the Reuters Screen Page CNY=SAEC.

(k) *Payment of U.S. Dollar equivalent in respect of Exotic Currencies*

If Exotic Currency Payments is specified to be applicable in the relevant Final Terms then, in the event that the Issuer is due to make a payment in an Exotic Currency in respect of any Note and the Exotic Currency is not available or it is impracticable to make the payment in the Exotic Currency due to circumstances beyond the Issuer's control as determined by the Calculation Agent acting in good faith and in a commercially reasonable manner, the Issuer will be entitled to satisfy in full its obligations in respect of such payment by making payment as soon as practicable in U.S. dollars on the basis of the spot exchange rate of U.S. dollars against the Exotic Currency offered in the London foreign exchange market as determined by the Calculation Agent referencing the Exotic Currency Reuters Screen Page at or around the Exotic Currency Relevant Time on the fifth London Business Day prior to such payment or, if such rate is not available on that day, the rate most recently available prior to such day.

Any payment made in U.S. dollars in accordance with the foregoing paragraph will not constitute an Event of Default for the purposes of Condition 9 (*Events of Default*).

For this purpose:

"**Exotic Currency**" means the Specified Currency, being either Mexican peso, Turkish lira or South African rand, as specified in the Final Terms.

"**Exotic Currency Relevant Time**" means the time specified in the Final Terms.

"**London Business Day**" means a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments generally in London.

(l) *Discretion of Calculation Agent*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 6 (*Payments and Talons*) by the Calculation Agent will (in the absence of a manifest error) be binding on the Issuer, the Paying Agents and the holders of the Notes or Coupons and (in the absence of negligence, wilful default, bad faith or fraud) no liability to any such person shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers and duties for such purposes.

7. **Taxation**

(a) *Withholding Tax*

Subject as provided below, all payments of principal and interest in respect of the Notes, the Receipts and the Coupons by or on behalf of the Issuer or, if applicable, the Guarantor shall be made free and clear

of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the jurisdiction of incorporation of the Issuer and/or, where the Issuer is acting through its branch outside its country of incorporation, the jurisdiction, country or territory in which the branch through which the Issuer is acting is located and/or, if applicable, the jurisdiction of incorporation of the Guarantor or by any authority therein or thereof having power to tax (together, "**Taxes**"), unless such withholding or deduction is required by law or made for or on account of FATCA. Any amounts withheld pursuant to an agreement with a taxing authority will be treated as required by law. In that event, the Issuer or (as the case may be) the Guarantor shall pay such additional amounts to the Noteholders, Couponholders and Receiptholders as shall result in receipt by those Noteholders, Couponholders and Receiptholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (i) presented for payment by or on behalf of a holder which is liable to such Taxes, duties, assessments or governmental charges in respect of such Note, Receipt or Coupon by reason of its having some connection with the jurisdiction of incorporation of the Issuer or, where the Issuer is acting through its branch outside its country of incorporation, the jurisdiction, country or territory in which the branch through which the Issuer is acting is located and/or, if applicable, the jurisdiction of incorporation of the Guarantor, other than the mere holding of such Note, Receipt or Coupon or the receipt of the relevant payment in respect thereof; or
- (ii) where ANZBGL is the Issuer, held by or on behalf of a holder who is an Australian resident or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia, if that person has not supplied an appropriate tax file number, Australian business number or other exemption details; or
- (iii) presented (or in respect of which the Certificate representing it is presented) for payment more than 30 days after the Relevant Date except to the extent that the holder of it would have been entitled to such additional amounts on presenting it for payment on the 30th such day; or
- (iv) in respect of which the holder thereof is an Offshore Associate of ANZBGL (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act), where ANZBGL is the Issuer; or
- (v) in respect of which the Taxes have been imposed or levied as a result of the holder of such Note, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which ANZBGL, where ANZBGL is the Issuer, was neither a party to nor participated in; or
- (vi) in respect of Bearer Notes only, if the holder of such Note, Receipt or Coupon or any entity which directly or indirectly has an interest in or right in respect of such Note, Receipt or Coupon is a resident of Australia, or a non-resident who is engaged in carrying on business in Australia at or through a permanent establishment of that non-resident in Australia (the expressions "**resident of Australia**", "**non-resident**" and "**permanent establishment**" having the meanings given to them by the Australian Tax Act) if, and to the extent that, section 126 of the Australian Tax Act (or any equivalent provisions) requires ANZBGL, where ANZBGL is the Issuer, to pay income tax in respect of interest payable on such Note, Receipt or Coupon and the income tax would not be payable were the holder or such entity not such a resident of Australia or non-resident; or
- (vii) where such withholding or deduction is for or on account of New Zealand resident withholding tax, where either ANZ Bank New Zealand or ANZNIL is the Issuer or ANZ Bank New Zealand is the Guarantor; or
- (viii) presented for payment by, or a third party on behalf of, a holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to any authority of or in New Zealand, unless the holder proves that he is not entitled so to comply or to make such declaration or claim, where either ANZ Bank New Zealand or ANZNIL is the Issuer or ANZ Bank New Zealand is the Guarantor; or

- (ix) presented for payment by, or a third party on behalf of, a holder that is a partnership, or a holder that is not the sole beneficial owner of the Note, Receipt or Coupon, or which holds the Note, Receipt or Coupon, in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or
- (x) presented for payment in New Zealand, where either ANZ Bank New Zealand or ANZNIL is the Issuer or ANZ Bank New Zealand is the Guarantor; or
- (xi) in respect of which the Taxes have been imposed or levied as a result of the holder of such Note, Receipt or Coupon being party to or participating in a scheme to avoid such Taxes, being a scheme which either ANZ Bank New Zealand or ANZNIL, where ANZ Bank New Zealand or ANZNIL is the Issuer, or ANZ Bank New Zealand, where ANZ Bank New Zealand is the Guarantor, was neither a party to nor participated in; or
- (xii) where such withholding or deduction is made for or on account of FATCA on payments to a Noteholder, Couponholder, Receiptholder, beneficial owner, or any agent having custody or control over a payment made by the Issuer, Guarantor or any agent in the chain of payment, including due to the failure of the Noteholder, Couponholder, Receiptholder, beneficial owner, or any agent having custody or control over a payment to comply with any requests for tax certifications or other identifying information regarding such Noteholder, Couponholder, Receiptholder, beneficial owner, or agent, or due to the failure to provide a waiver of any laws prohibiting the disclosure of such certifications, identifying information and other information in respect of the Notes to a taxing authority.

As used in these Conditions, "**Relevant Date**" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (*Redemption, Purchase and Options*) or any amendment or supplement to it, (ii) "**interest**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 (*Interest and other Calculations*) or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" shall be deemed to include any additional amounts that may be payable under this Condition or any undertaking given in addition to or substitution for it under the Agency Agreement. Any additional amounts due in respect of the NZ Subordinated Notes will be subordinated in right of payment as described in Condition 10 (*Subordination*).

The remaining provisions of this Condition only apply to ANZNIL where ANZNIL is the Issuer and to ANZ Bank New Zealand where ANZ Bank New Zealand is the Issuer or the Guarantor. Where used in the remaining provisions of this Condition, "**interest**" means interest (as defined under New Zealand taxation legislation) for withholding tax purposes, which under current legislation includes the excess of the redemption amount over the issue price of any Note as well as coupon interest paid on such Note.

Where (i) ANZNIL is the Issuer or (ii) ANZ Bank New Zealand is the Issuer or the Guarantor, and ANZ Bank New Zealand or ANZNIL, as the case may be, is required to deduct New Zealand non-resident withholding tax in the case of any payments of interest to a holder of a Note or Coupon, ANZ Bank New Zealand or ANZNIL, as the case may be, may, and intend to (for so long as they do not incur any increased cost or detriment from so doing), relieve themselves of such obligation by using a procedure which permits borrowers such as ANZ Bank New Zealand or ANZNIL, as the case may be, to reduce the applicable rate of non-resident withholding tax to zero per cent. Under the current law, that procedure involves ANZ Bank New Zealand or ANZNIL, as the case may be, paying on their own respective

accounts a levy to the New Zealand revenue authorities (which is currently equal to two per cent. of such payments of interest).

ANZ Bank New Zealand and ANZNIL are required by law to deduct New Zealand resident withholding tax from the payment of interest to the holder of any Note on any Interest Payment Date or the Maturity Date, where:

- (A) the Holder is (i) a resident of New Zealand for New Zealand income tax purposes, or (ii) the Holder holds the notes for the purposes of a business the Holder carries on in New Zealand, through a fixed establishment (as defined in the Income Tax Act 2007 (New Zealand)) in New Zealand, or (iii) the Holder is a registered bank engaged in business in New Zealand through a fixed establishment (as defined in the Income Tax Act 2007 (New Zealand)) in New Zealand and is not associated with ANZ Bank New Zealand or ANZNIL (as applicable) (each a "**New Zealand Holder**"); and
- (B) at the time of such payment the New Zealand Holder does not hold "RWT-exempt status" (as defined in the Income Tax Act 2007 (New Zealand)) in respect of New Zealand resident withholding tax.

Prior to any Interest Payment Date or the Maturity Date, any New Zealand Holder:

- (A) must notify ANZ Bank New Zealand or ANZNIL, as the case may be, that the New Zealand Holder is the holder of a Note; and
- (B) must notify ANZ Bank New Zealand or ANZNIL, as the case may be, of any circumstances, and provide ANZ Bank New Zealand or ANZNIL, as the case may be, with any information that may enable ANZ Bank New Zealand or ANZNIL, as the case may be, to make payment of interest to the New Zealand Holder without deduction on account of New Zealand resident withholding tax.

The New Zealand Holder must notify ANZ Bank New Zealand or ANZNIL, as the case may be, prior to any Interest Payment Date or the Maturity Date, of any change in the New Zealand Holder's circumstances from those previously notified that could affect the payment or withholding obligations of ANZ Bank New Zealand or ANZNIL, as the case may be, in respect of this Note. By accepting payment of the full face amount of a Note or any interest thereon on any Interest Payment Date or the Maturity Date, the New Zealand Holder indemnifies ANZ Bank New Zealand or ANZNIL, as the case may be, for all purposes in respect of any liability ANZ Bank New Zealand or ANZNIL, as the case may be, may incur for not deducting any amount from such payment on account of New Zealand resident withholding tax.

Only a New Zealand Holder will be obliged to make the notification referred to above.

(b) *Taxing Jurisdiction*

If the Issuer or, if applicable, the Guarantor is, or becomes, subject at any time to any taxing jurisdiction(s) other than or in addition to its own jurisdiction of incorporation or the jurisdiction, country or territory in which the branch (if any) is located, references in Condition 5(b) and this Condition 7 shall be read and construed as including references to such other taxing jurisdiction(s).

8. **Prescription**

Claims against the Issuer and, if applicable, the Guarantor for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

9. Events of Default

(a) Notes (other than NZ Subordinated Notes)

If, in respect of any Notes (other than NZ Subordinated Notes), any of the following events ("**Events of Default**") occurs and is continuing, the holder of any Note of any Series issued by the Issuer may give written notice to the Fiscal Agent at its specified office that such Note is immediately repayable, whereupon it shall immediately become due and repayable at its Early Redemption Amount together with accrued interest to the date of payment unless, prior to the date that such written notice is received by the Fiscal Agent, the Issuer and/or, if applicable, the Guarantor shall have cured or otherwise made good all Events of Default in respect of the Notes of such Series:

- (i) default is made in the payment of any principal or Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount, Instalment Amount or Amortised Face Amount (in the case of a Zero Coupon Note) (whether becoming due upon redemption or otherwise) when due, in respect of any Note of such Series, and such default continues for a period of 15 days or interest when due, in respect of any Note of such Series, and such default continues for a period of 30 days; or
- (ii) the Issuer fails to perform or observe any of its obligations under any Note of such Series or, if applicable, the Guarantor fails to perform or observe any of its obligations under the Deed of Guarantee, in either case other than those specified in paragraph (i) above and in such case (except where such failure is incapable of remedy) such failure continues for a period of 30 days next following the service by any holder of any Note of such Series on the Issuer, the Guarantor (if applicable) and the Fiscal Agent of written notice requiring the same to be remedied; or
- (iii) otherwise than for the purpose of an amalgamation or reconstruction or merger within the meaning of these words under the laws of the Issuer's or, if applicable, the Guarantor's country of incorporation or, where ANZNIL is the Issuer, the United Kingdom, a resolution is passed that the Issuer or, as the case may be, the Guarantor be wound up or dissolved; or
- (iv) the Issuer or, if applicable, the Guarantor stops payment (within the meaning of Australian or any other applicable bankruptcy law) of its obligations; or
- (v) an encumbrancer takes possession of or a receiver is appointed of the whole or a substantial part of the undertaking and assets of the Issuer or, if applicable, the Guarantor and any such event is continuing for 45 days after its occurrence and would materially prejudice the performance by the Issuer or, as the case may be, the Guarantor of its obligations under the Notes of such Series or a distress or execution is levied or enforced upon or sued out against the whole or a substantial part of the undertaking and assets of the Issuer or, as the case may be, the Guarantor which would materially prejudice the performance of (i) the Issuer of its obligations under the Notes of such Series or, (ii) if applicable, the Guarantor of its obligations under the Deed of Guarantee, and in each case is not discharged within 60 days thereof; or
- (vi) proceedings shall have been initiated against the Issuer or, if applicable, the Guarantor under any applicable bankruptcy, reorganisation or other similar law and such proceedings shall not have been discharged or stayed within a period of 60 days; or
- (vii) the Issuer or, if applicable, the Guarantor shall initiate or consent to proceedings relating to itself under any applicable bankruptcy, insolvency, composition or other similar law (otherwise than for the purpose of amalgamation, reconstruction or merger (within the meaning of those words under the laws of the country of the Issuer's or, if applicable, the Guarantor's incorporation or, where ANZNIL is the Issuer, the United Kingdom) and such proceedings would materially prejudice the performance by (A) the Issuer of its obligations under the Notes of such Series or (B), if applicable, the Guarantor of its obligations under the Deed of Guarantee); or
- (viii) in respect of Notes issued by ANZNIL only, the Deed of Guarantee of the Notes is (A) not in full force and effect and, where capable of remedy, the Deed of Guarantee is not in full force and effect within seven days of the date the defect is first discovered or (B) claimed by the Guarantor not to be in full force and effect.

Any such notice by a holder of Notes to the Fiscal Agent shall specify the serial number(s) of the Notes concerned.

Notwithstanding any other provision of this Condition 9(a), no Event of Default in respect of any Notes shall occur solely on account of any failure by ANZBGL to perform or observe its obligations in relation to, or the taking of any process or proceeding in respect of any share, note or other security or instrument constituting Tier 1 Capital or Tier 2 Capital (as defined by APRA from time to time).

(b) *NZ Subordinated Notes*

The following are "**Events of Default**" with respect to NZ Subordinated Notes:

- (i) the commencement of liquidation of ANZ Bank New Zealand under:
 - (A) section 241(5) or section 317 of the Companies Act; or
 - (B) under any other legislation under which ANZ Bank New Zealand will irrevocably cease to be duly incorporated or to validly exist in New Zealand; and
- (ii) subject to Condition 4(v):
 - (A) default in the payment of interest on any NZ Subordinated Note when due, continued for 15 days; or
 - (B) default in the payment of principal of any NZ Subordinated Note when due, continued for 7 days.

Upon the occurrence of an Event of Default specified in paragraph (i) above, subject to the subordination provisions in Conditions 3(b) and 10 (*Subordination*), the Principal Amount of, and all accrued and unpaid interest, on the NZ Subordinated Notes will automatically become due and payable.

If an Event of Default contemplated by paragraph (ii) above with respect to any of the NZ Subordinated Notes occurs and is continuing, an NZ Subordinated Noteholder may only, in order to enforce the obligations of ANZ Bank New Zealand under such NZ Subordinated Notes, bring proceedings:

- (aa) to recover any amount then due and payable but unpaid on its NZ Subordinated Notes (subject to satisfaction of the solvency condition to payment in Condition 4(v));
- (bb) to obtain an order for specific performance of any other obligation in respect of its NZ Subordinated Notes; or
- (cc) for the liquidation of ANZ Bank New Zealand.

In accordance with Condition 3(b), until all Senior Creditors have been paid in full, an NZ Subordinated Noteholder must not claim in the liquidation of ANZ Bank New Zealand in competition with the Senior Creditors so as to diminish any distribution, dividend or payment which, but for that claim, the Senior Creditors would have been entitled to receive.

No remedy against ANZ Bank New Zealand, other than those referred to in this Condition 9(b), shall be available to the NZ Subordinated Noteholders or Couponholders or Receiptholders in respect of NZ Subordinated Notes, whether for the recovery of amounts owing in respect of the NZ Subordinated Notes or in respect of any breach by ANZ Bank New Zealand of any of its other obligations under or in respect of the NZ Subordinated Notes.

10. **Subordination**

In the event of the commencement of liquidation of ANZ Bank New Zealand constituting an Event of Default with respect to the NZ Subordinated Notes, there shall be payable with respect to the NZ Subordinated Notes, subject to the subordination provisions in Condition 3(b), an amount equal to the

Principal Amount of the NZ Subordinated Notes then outstanding, together with all accrued and unpaid interest thereon to the repayment date.

As a result of the subordination provisions, no amount will be payable in the liquidation of ANZ Bank New Zealand in New Zealand in respect of the NZ Subordinated Notes until all claims of Senior Creditors admitted in the liquidation proceeding have been satisfied in full. By subscription for, or transfer of, NZ Subordinated Notes to a Noteholder, that NZ Subordinated Noteholder will be taken to have agreed that no amount in respect of the NZ Subordinated Notes will be repaid until all the claims of the Senior Creditors admitted in the liquidation proceeding have been satisfied accordingly. Accordingly, if proceedings with respect to the liquidation of ANZ Bank New Zealand in New Zealand were to occur, the NZ Subordinated Noteholders could recover less relatively than the holders of Notes which are not subordinated and the holders of any prior ranking subordinated liabilities of ANZ Bank New Zealand.

If, in any such liquidation, the amount payable with respect to the NZ Subordinated Notes and any claims ranking equally with those NZ Subordinated Notes cannot be paid in full, those NZ Subordinated Notes and other claims ranking equally with those NZ Subordinated Notes will share relatively in any distribution of ANZ Bank New Zealand's assets in a liquidation in proportion to the respective amounts to which they are entitled. To the extent that NZ Subordinated Noteholders are entitled to any recovery with respect to the NZ Subordinated Notes in any liquidation, such NZ Subordinated Noteholders might not be entitled in such proceedings to a recovery in the Specified Currency in respect of such NZ Subordinated Notes (if other than New Zealand dollars) and might be entitled only to a recovery in New Zealand dollars.

11. Meeting of Noteholders, Modifications and Waiver

(a) Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of Noteholders of a Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification or amendment of any of these Conditions. The quorum for any meeting of Noteholders shall be two or more persons holding or representing in the aggregate a clear majority in Principal Amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the Principal Amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes or the obligation of the Issuer to pay additional amounts pursuant to Condition 7 (*Taxation*), (ii) to reduce or cancel the Principal Amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount is set out in the Final Terms, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or Specified Denomination of the Notes, (vii) to take any steps that as specified in the Final Terms may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply, or (viii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum at any adjourned meeting shall be two or more persons holding or representing in the aggregate not less than one-third in Principal Amount of the Notes for the time being outstanding. However, no modification, amendment or supplement to the terms of any Series of NZ Subordinated Notes, or any consent, waiver or other action that will have the effect of amending any Series of NZ Subordinated Notes shall be of any effect unless the RBNZ has been given at least five working days' prior notice of such modification, amendment, supplement, consent, waiver or other action (as applicable) by ANZ Bank New Zealand and ANZ Bank New Zealand has provided any information and supporting documentation required by the RBNZ's prudential regulatory requirements to the RBNZ including a signed opinion from ANZ Bank New Zealand's New Zealand legal counsel confirming that, once the modification, amendment, supplement, consent, waiver or other action (as applicable) is in effect, such NZ Subordinated Notes will

continue to qualify as Tier 2 Capital. ANZ Bank New Zealand would not be able to comply with the RBNZ notification requirement, and, consequently, no modification, amendment, supplement, consent, waiver or other action (as applicable) could be made or given, if the effect of any such amendment, modification, supplement, consent, waiver or other action (as applicable) would be that the NZ Subordinated Notes would no longer qualify as Tier 2 Capital. Any resolution duly passed (including an Extraordinary Resolution) shall be binding on all Noteholders of the relevant Series (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders of the relevant Series. The expression "**Extraordinary Resolution**" means a resolution passed at a meeting of Noteholders duly convened by a majority consisting of not less than three-quarters of the votes cast. All other resolutions, except for written resolutions, shall be passed at a meeting of Noteholders duly convened by a clear majority of the votes cast.

In addition, a resolution in writing signed by or on behalf of all Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

(b) *Modification of the Agency Agreement, Deed of Covenant, Deed of Guarantee, Conditions and Final Terms*

The Agency Agreement, the Deed of Covenant, the Deed of Guarantee, the Conditions and any applicable Final Terms may be modified or amended by the Issuer and, in the case of the Deed of Guarantee, by ANZNIL and the Guarantor, in each case without the consent of the holders if, in the reasonable opinion of the Issuer (and in the case of the Deed of Guarantee, ANZNIL and the Guarantor), the modification or amendment is:

- (a) not materially prejudicial to the interests of the holders;
- (b) of a formal, minor or technical nature;
- (c) made to correct any manifest or proven error or omission;
- (d) made to comply with mandatory provisions of the law; or
- (e) made to cure, correct or supplement any defective provision or ambiguity,

provided that, in the case of NZ Subordinated Notes, any such modification or amendment to the Agency Agreement, the Deed of Covenant, the Conditions and the Final Terms that will have the effect of amending NZ Subordinated Notes, shall not be effective unless the RBNZ has been given at least five working days' prior notice of such modification or amendment (as applicable) by ANZ Bank New Zealand and ANZ Bank New Zealand has provided any information and supporting documentation required by the RBNZ's prudential regulatory requirements to the RBNZ including a signed opinion from ANZ Bank New Zealand's New Zealand legal counsel confirming that, once the modification or amendment (as applicable) is in effect, such NZ Subordinated Notes will continue to qualify as Tier 2 Capital. ANZ Bank New Zealand would not be able to comply with the RBNZ notification requirement and, consequently, no modification or amendment (as applicable) could be applied if the effect of any such amendment or modification (as applicable) would be that the NZ Subordinated Notes would no longer qualify as Tier 2 Capital.

Any such modification or amendment shall be binding on the holders and any such modification or amendment shall be notified to the holders in accordance with Condition 14 as soon as practicable thereafter.

12. **Replacement of Notes, Certificates, Receipts, Coupons and Talons**

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and listing authority, stock exchange and/or quotation system regulations, at the specified office of the Fiscal Agent (in case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of

whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

13. Further Issues

Any Issuer may (provided, with respect to an issue of NZ Subordinated Notes, that ANZ Bank New Zealand has given the RBNZ at least 5 working days' prior notice and provided any information and supporting documentation required by the RBNZ's prudential regulatory requirements to the RBNZ) from time to time without the consent of the Noteholders or Couponholders create and issue further securities either having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them) and so that such further issue shall be consolidated and form a single Series with the outstanding securities of any Series (including the Notes) or upon such terms as the Issuer may determine at the time of their issue. Notes of more than one Series may be consolidated into one Series denominated in euro, even if one or more such Series was not originally denominated in euro, provided all such Series have been redenominated into euro and otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions. References in these Conditions to the Notes include (unless the context requires otherwise) any other securities issued pursuant to this Condition and forming a single Series with the Notes.

14. Notices

Notices to the holders of Registered Notes shall be (a) mailed to them (or, in the case of joint holders, to the first named) at their respective addresses in the Register and (b) published at <https://www.anz.com/debtinvestors/centre/programmes/anz-banking-group/euro-medium-term-note-programme-aus/> in respect of Notes issued by ANZBGL and at <https://www.anz.com/debtinvestors/centre/programmes/anz-bank-nz/euro-medium-term-note-programme-nz/> in respect of Notes issued by ANZ Bank New Zealand and ANZNIL;

Notices to the holders of Registered Notes shall be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the later of the date of mailing and the date of first publication online;

Notices to the holders of Bearer Notes shall be, save where another means of effective communication has been specified herein or in the Final Terms, published at <https://www.anz.com/debtinvestors/centre/programmes/anz-banking-group/euro-medium-term-note-programme-aus/> in respect of Notes issued by ANZBGL and at <https://www.anz.com/debtinvestors/centre/programmes/anz-bank-nz/euro-medium-term-note-programme-nz/> in respect of Notes issued by ANZ Bank New Zealand and ANZNIL.

Notices to the holders of Bearer Notes shall be deemed to have been given on the date of first publication online. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition 14.

Notices to holders of all Notes which have been listed, admitted to trading on any stock exchange or listed on a quotation system will also be given in such manner and in such place as may be required by the rules and regulations of such listing authority stock exchange and/or quotation system.

Where the Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, the provisions of such Global Note shall prevail over the provisions of this Condition 14.

15. Currency Indemnity

If any sum due from the Issuer in respect of the Notes, Receipts or the Coupons or any order or judgment given or made in relation thereto has to be converted from the currency (the "**first currency**") in which

the same is payable under these Conditions or such order or judgment into another currency (the "**second currency**") for the purpose of (a) making or filing a claim or proof against the Issuer, (b) obtaining an order or judgment in any court or other tribunal or (c) enforcing any order or judgment given or made in relation to the Notes, Receipts or Coupons, the Issuer shall indemnify each holder, on the written demand of such holder addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent, against any loss suffered as a result of any discrepancy between (i) the rate of exchange used for such purpose to convert the sum in question from the first currency into the second currency and (ii) the rate or rates of exchange at which such holder may in the ordinary course of business purchase the first currency with the second currency upon receipt of a sum paid to it in satisfaction, in whole or in part, of any such order, judgment, claim or proof. For the purposes of this Condition 15, it shall be sufficient for the Noteholder, Receiptholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder, Receiptholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note, Coupon or Receipt or any other judgment or order.

16. **Governing Law, Jurisdiction and Service of Process**

(a) *Governing Law*

The Notes, the Receipts, the Coupons and the Talons and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with, English law, except for the subordination provisions applicable to the NZ Subordinated Notes (including, without limitation, the provisions contained in Conditions 3(b), 4(v), 9(b) and 10 (*Subordination*)) which will be governed by, and construed in accordance with, the laws of New Zealand.

(b) *Jurisdiction*

The Issuer agrees for the benefit of the holders of Notes, Receipts, Coupons and Talons that the courts of England shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Notes and all matters connected with the Notes, Receipts, Coupons and Talons (including a dispute relating to any non-contractual obligation arising out of or in connection with them) (respectively, "**Proceedings**" and "**Disputes**") and, for such purposes, irrevocably submits to the jurisdiction of such courts.

(c) *Appropriate Forum*

The Issuer irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any Disputes, and agrees not to claim that any such court is not a convenient or appropriate forum.

(d) *Service of Process*

The Issuer agrees that the process by which any Proceedings in England are begun may be served on it by being delivered to the officer in charge of the London Branch of Australia and New Zealand Banking Group Limited at its UK establishment office address from time to time, currently Level 12, 25 North Colonnade, London E14 5HZ. If such person is not or ceases to be effectively appointed to accept service of process on the Issuer's behalf, the Issuer shall appoint a further person in England to accept service of process on the Issuer's behalf and, failing such appointment, within 15 days, any Noteholder shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the specified office of the Fiscal Agent. Nothing in this paragraph shall affect the right of any holder of Notes, Receipts, Coupons or Talons to serve process in any other manner permitted by law.

(e) *Non-exclusivity*

The submission to the jurisdiction of the courts of England shall not (and shall not be construed so as to) limit the right of any holder of Notes, Receipts, Coupons or Talons to take Proceedings in any other court of competent jurisdiction, nor shall the taking of Proceedings in any one or more jurisdictions preclude

the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by law.

(f) *Consent to Enforcement etc.*

Subject to Condition 10 (*Subordination*), the Issuers consent generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings including (without limitation) the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment which may be made or given in such Proceedings.

17. **Third Parties**

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.
