This document is prepared and distributed by Australia and New Zealand Banking Group Limited (ABN 11 005 357 522), a company with limited liability incorporated in Australia ("ANZBGL"), or where specified below, by one of its branches or subsidiaries (collectively, "ANZ") and is only for the specified recipient. It should not be forwarded, copied, or further distributed. It is solely for informational purposes and nothing in it is intended as personal financial advice, taxation advice, investment advice, or an invitation, solicitation or offer by ANZ to sell, buy, receive, or provide any product or service, or to participate in a particular trading strategy. Before making any investment decision, recipients should seek independent financial, legal, tax and other relevant advice having regard to their particular circumstances.

Please note that it is not independent research prepared by ANZ Research, it is prepared by one or more of ANZ's sales or trading desks. Any views and recommendations expressed in it are those of the author(s) and may differ or be contrary to the views or recommendations expressed by ANZ Research or any other business area.

The author(s) may have potential conflicts of interest arising from their association with ANZ's sales or trading desks and may be aware of ANZ's trading positions and strategies.

ANZ trades or may trade as principal in the instruments (or related derivatives), may have proprietary positions in the instruments (or related derivatives), and/or may make markets in the instruments (or related derivatives) discussed here. At the time of writing, ANZ may or may not have held positions in the financial instruments referred to in this document, including positions which may be significant. ANZ may engage in transactions in a manner inconsistent with the views expressed.

Whilst care has been taken in the preparation of this document and the information contained within is believed to be accurate and made on reasonable grounds on the date it was published, ANZ does not represent or warrant the accuracy or completeness of the information. Further, ANZ does not accept any responsibility to inform you of any matter that subsequently comes to its notice, which may affect the accuracy of the information in this document.

This document may contain forward looking statements or opinions including statements regarding the author(s) intent, belief or current expectations regarding economic and market conditions, financial instruments and credit markets. Such statements are usually predictive in character, may not be accurate once the future becomes known and should not be relied upon when making investment decisions. Past performance is not a reliable indicator of future performance. ANZ does not accept any responsibility to inform you of any revisions to these forward-looking statements to reflect events or circumstances occurring after the date of this document.

Preparation of this document and the opinions expressed in it involve material elements of subjective judgement and analysis. Unless specifically stated otherwise: they are current on the date of this document and are subject to change without notice; and all price information is indicative only. Any opinions expressed in this document are subject to change at any time without notice.

ANZ does not guarantee the performance of any product mentioned in this document. All investments entail a risk and may result in both profits and losses. The products and services described in this document may not be suitable for all investors and transacting in these products or services may be considered risky.

ANZ expressly disclaims any responsibility and shall not be liable for any loss, damage, claim, liability, proceedings, cost, or expense ("**Liability**") arising directly or indirectly and whether in tort (including negligence), contract, equity or otherwise (including infringement of any third-party rights) out of or in connection with this document and your use of it to the extent permissible under relevant law. Please note, the contents of this document have not been reviewed by any regulatory body or authority in any jurisdiction.

ANZ or its subsidiaries or branches (each, an "**Affiliate**"), as well as the author, may have an interest in the subject matter of this document. They may receive fees from customers for dealing in the products or services described in this document, and their staff and introducers of business may share in such fees or remuneration that may be influenced by total sales, at all times received and/or apportioned in accordance with local regulatory requirements. Further, they or their customers may have or have had interests or long or short positions in the products or services described in this document and may at any time make purchases and/or sales in them as principal or agent, as well as act (or have acted) as a market maker in such products.

This document is published in accordance with ANZ's policies on conflicts of interest and ANZ maintains appropriate information barriers to control the flow of information between businesses within it and its Affiliates.
