

## Terms of Agreement

- 1) By accepting this purchase order for the ordered goods or services as described in this document, you (the legal entity named as Supplier) agree that these conditions apply to the exclusion of any other conditions (including those on your delivery notes and invoices). No other terms or conditions of supply will have any effect unless in writing and signed by an authorized ANZ Requestor. If this purchase order refers to a duly executed contract between you and **ANZ**, its terms form part of this purchase order except as expressly stated otherwise or to the extent the terms conflict with this purchase order, in which case the terms of this purchase order prevail.

All prices will be invoiced and paid in the currency indicated in the Purchase Order, or if no currency is specified, Australian Dollars. The prices are inclusive of all freight, packing, insurance, and delivery charges. All such charges must be detailed separately on each invoice. You shall be solely responsible for handling the formalities for the conversion and payment of foreign currency in accordance with applicable laws and regulations of the People's Republic of China.
- 4) The parties do not anticipate that any supplies made under this purchase order will be connected with Australia. To the extent that you make any supplies under this purchase order that are connected with Australia, you must notify ANZ of such in writing by inserting an appropriate notation on the relevant invoice detailing that the supplies are 'connected with Australia'.

- 7) ANZ will pay correctly rendered invoices pursuant to the Payment Terms stipulated hereunder after receipt of invoice. Invoices must be sent to the billing address specified in this purchase order. Any payment may, at ANZ's sole discretion, be made by electronic funds transfer to your bank account as detailed in this purchase order. 14) Where goods must be installed, you will install them and confirm their proper operation and compliance with the warranties in these purchase order terms.

#### 1.1 Definitions

In this **clause 1 of this Schedule**:

- (a) unless otherwise expressly stated or the context otherwise requires, words and expressions which are not defined in this purchase order but which have a defined meaning in GST Law have the same meaning as in the GST Law;
- (b) Consumption Taxes means any tax payable on the sale or supply of goods, services or other things and includes GST, goods and services tax, value added tax, sales tax, consumption tax or any similar impost;
- (c) GST Law means the local taxation legislations or regulations governing the application of Consumption Taxes;
- (d) Permanent Establishment has the same meaning as in the local taxation laws of the relevant jurisdiction in which you are supplying the goods or services under or in accordance with this purchase order (as altered by the application of any double tax treaty) [and, in Australia, has the same meaning as in the Income Tax Assessment Act 1997 (as altered by the application of any double tax treaty)].
- (e) Tax includes:**
  - (i) any tax, levy, impost, deduction, charge, rate, withholding or duty by whatever name called levied, imposed or assessed (including, without limitation, withholding tax, employment taxes, land tax, property tax, excise duties, customs duties, goods and services tax, value added tax, sales tax, consumption tax, stamp duty and transaction duties or any similar impost imposed or levied); and
  - (ii)** any interest, penalty, charge, fine or fee or other amount of any kind assessed, charged or imposed on or in respect of the above.
- (f) **Valid Tax Invoice** means an invoice containing the elements of a tax invoice as required under local GST Law and must include the following:
  - (i) a description of each type of service/supply being made; and
  - (ii) for services, the location(s) where the services are performed, with the amounts applicable to each of the above.

#### 1.2 Consumption Taxes

- (a) Unless otherwise expressly stated, all monetary consideration to be provided under or in accordance with this purchase order is inclusive of Consumption Taxes.
- (b) To the extent that the consideration to be provided for any sale or supply (of goods, services or other things) ("Supply") made under or in accordance with this purchase order is expressly stated to be exclusive of Consumption Taxes, ANZ must pay to you (at the same time as payment for the Supply is required to be made) an additional amount equal to the Consumption Taxes payable in respect of the Supply.
- (c) ANZ may provide to you an exemption certificate (if possible from relevant tax authority) acceptable by the relevant taxing authority in which case you shall not collect Consumption Taxes covered by such certificate.
- (d) ANZ's obligation to pay the Consumption Taxes component of any consideration under this purchase order is subject to ANZ receiving a Valid Tax Invoice or other documents required by law in respect of the Supply at or before the time of payment.

- (e) If a payment under this document is a fee, price, reimbursement or indemnification which is calculated directly or indirectly by reference to a cost (including a loss or expense) incurred by a party, the cost must be reduced by the amount of any input tax credit or credit to which the party or the representative member for a Consumption Taxes group of which that party is a member, is entitled for that cost in calculating the payment. An entitlement to claim a full credit for Consumption Taxes incurred on those costs will be assumed unless it is demonstrated otherwise.
- (f) You agree to take such steps as are requested by ANZ to minimize such Consumption Taxes in accordance with all relevant laws and to cooperate with and assist ANZ, at ANZ's request, in challenging the validity of any Consumption Taxes or taxes otherwise paid by ANZ.
- (g) If any taxing authority refunds any Consumption Taxes to you which ANZ originally paid to you, or you otherwise become aware that any Consumption Taxes were incorrectly and/or erroneously collected from ANZ, you shall promptly remit to ANZ an amount equal to such refund or incorrect collection.

### **1.3 Consumption Taxes on Claims**

- (a) Subject to clause 1.2 (c), if a payment to satisfy a claim or a right to a claim under or in connection with this purchase order (for example, for misleading or deceptive conduct or for misrepresentation or for a breach of warranty or for an indemnity or for reimbursement of any expense) gives rise to a liability to pay an amount of Consumption Tax, the payer must also pay, and indemnify the payee against the amount of that Consumption Tax.
- (b) Subject to clause 1.2 (c), if a party has a claim under or in connection with this purchase order or a cost on which that party must pay an amount of Consumption Tax, the claim is for the cost plus all Consumption Taxes (except any Consumption Taxes for which that party, or the representative member for a GST group of which that party is a member, is entitled to an input tax credit).
- (c) If a party has a claim under or in connection with this purchase order and the amount of the claim depends on actual or estimated revenue or lost revenue, revenue must be calculated without including any amount received or receivable as reimbursement for any Consumption Taxes (whether that amount is separate or included as part of a larger amount).]

### **1.4 Other taxes, duties and charges**

Except as set out above in this clause 1 of the Schedule in respect of Consumption Taxes (including but not limited to China business tax and local surcharge), all applicable Taxes imposed or levied in connection with this purchase order will be borne by you and will not cause any increase to the fees set out in this purchase order.

### **1.5 Income taxes**

For the avoidance of doubt, each party is responsible for taxes imposed in respect of its income in connection with this purchase order.

- 1.6 In the event that local laws required taxes to be withheld by ANZ on payments to you (including but not limited to China Business Tax and local surcharge), such taxes shall be withheld and remitted to the local tax authorities by ANZ, unless you provide ANZ with an applicable exemption certificate. ANZ will use reasonable efforts to cooperate with and assist you in obtaining tax certificates or other appropriate documentation evidencing such payment.
- 1.7 Any Consumption Taxes (including Business Tax) payable by ANZ China should be grossed up and reflected in the invoice.

### **1.8 Jurisdiction**

- (a) Prior to execution of this purchase order, you must advise ANZ in writing as to whether you have a Permanent Establishment in the relevant jurisdiction and supply ANZ with

certificates of residency in the form required by the relevant taxing authority. The certificate of residency must specify the period you are to provide the services and/or deliverables.

- (b) [In the event that circumstances change resulting in you acquiring a Permanent Establishment in the relevant local jurisdiction and/or the certificates of residency previously supplied by you ceasing to be valid, you must notify ANZ in writing of the change in circumstances no later than 10 days after you become aware of the change in circumstances.]<sup>2</sup>
- (c) Without limiting anything else in this purchase order, you must ensure that all invoices you provide to ANZ clearly identify the residency of all relevant entities providing the goods or services and the nature of the goods or services that are the subject of the invoice and otherwise provide ANZ with all information necessary for ANZ to comply with all applicable local taxation Laws.

**1.9 [Parties not disadvantaged by new impost**

- (a) [If any new Consumption Tax or withholding tax is introduced or is changed after the date of this purchase order ("Impost Change") the parties will make every effort to reasonably amend arrangements to minimise any adverse effect of the Impost Change and negotiate in good faith to adjust the fees (the "Negotiated Position") such that the Parties are not disadvantaged by the Impost Change.]
- (b) The parties agree that [any][the first] invoice issued after agreement has been reached in clause 1.9(a) must reflect the necessary adjustment from the date of effect of the Impost Change [and that subsequent invoices reflect the Negotiated Position].]<sup>3</sup>
